Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket. Respect your captain, team-mates, opponents and the authority of the umpires. Play hard and play fair. Accept the umpire’s decision.

Create a positive atmosphere by your own conduct and encourage others to do likewise. Show self-discipline, even when things go against you. Congratulate the opposition on their successes and enjoy those of your own team. Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.
Code of Behaviour
for Players and Player Support Personnel

INTRODUCTION/PREAMBLE

Cricket Hong Kong (hereafter referred to as \textit{CHK}) is the sole national sports association responsible for the governance of the sport of cricket in Hong Kong and the Code of Behaviour for \textit{Players, Player Support Personnel} (the \textit{Code of Behaviour}), Member Clubs and Match Officials is adopted and implemented as part of \textit{CHK}’s ongoing efforts to maintain the public image, popularity and integrity of cricket by providing:

a) an effective means to deter any participant from conducting themselves improperly on and off the ‘field-of-play’ or in a manner that is contrary to the ‘spirit of cricket’; and

b) a robust disciplinary procedure pursuant to which all matters of improper conduct can be dealt with fairly, with certainty and in an expeditious manner.

The CHK has adopted a zero tolerance towards corruption and indiscipline in the game.

The Code of Behaviour shall apply to all forms of cricket under the auspices of the CHK in respect of the following disciplinary matters:

1. Any allegation of corruption (as defined in Article 2 of the ICC Anti-Corruption Code for Players and Player Support Personnel or as provided in Appendix 1 of the ICC Code of Conduct for Umpires) in connection with any form or level of cricket under the authority of \textit{CHK};
2. Alleged breaches of the Code of Conduct (in Article 2) which occur on or off the field in connection with any of the following fixtures or competitions:
   a) International fixtures, either official or unofficial, involving any Hong Kong team;
   b) Any fixtures or competitions organised by CHK;
   c) Any other fixture or competition in which it is agreed by the parties thereto that any disciplinary matters relating thereto shall be the responsibility of CHK, except where the matter (be it an alleged breach of the Code of Behaviour or of corruption) occurs under the authority of another body whose authority CHK has acknowledged shall apply to such matters.

Matters relating to anti-doping or employment contracts are not governed by the Code of Behaviour. Unless otherwise indicated, references to Articles and Appendices are to articles and appendices of the Code of Behaviour.

Throughout the Code of Behaviour:
   a) words importing the masculine gender include the feminine;
   b) unless the contrary intention appears, words in the singular include the plural and words in the plural include the singular.

Words in italicised text in the Code of Behaviour are defined terms and their definitions are set out in Appendix 1.
ARTICLE 1 SCOPE AND APPLICATION

A. Players and Players Support Personnel

1.1 This Code of Behaviour for Players and Player’s Support Personnel repeals and supersedes all previous codes of conduct applicable to Players and Player Support Personnel.

1.2 All Players and Player Support Personnel are automatically bound by and required to comply with all of the provisions of the Code. Accordingly, by their participation, assistance or involvement in any way in the sport of cricket in Hong Kong, such Players or Player Support Personnel shall be deemed to have agreed:

1.2.1 that it is their personal responsibility to familiarise themselves with all of the requirements of the Code, including what behaviour constitutes an offence under the Code;

1.2.2 to submit to the exclusive jurisdiction of any Team Manager, Match Referee, Match Rules and Disciplinary Committee, Code of Behaviour Committee or Appeal Commissioner (as the case may be) convened under the Code to hear and determine charges brought (and any appeals in relation thereto) pursuant to the Code; and

1.2.3 not to bring any proceedings in any court or other forum that are inconsistent with the foregoing submission to the jurisdiction of the Team Manager, Match Referee, Match Rules and Disciplinary Committee, Code of Behaviour Committee or Appeal Panel.

1.3 All Players and Player Support Personnel shall continue to be bound by and required to comply with the Code until he/she has not participated (in the case of a Player), or assisted a
Player’s participation (in the case of a Player Support Personnel) in a Match for a period of three (3) months and CHK shall continue to have jurisdiction over him/her under the Code thereafter in respect of matters taking place prior to that point.

1.4 Without prejudice to Article 1.1 and 1.2, CHK and its member clubs shall be responsible for promoting Code awareness and education amongst all Players and Player Support Personnel.

1.5 It is acknowledged that Players and Player Support Personnel may also be subject to other rules of other National Cricket Administrations that govern discipline and/or behaviour, and that the same behaviour of such Players and/or Player Support Personnel may engage not only the Code but also such other rules that may apply. For the avoidance of any doubt, Players and Player Support Personnel acknowledge and agree that:
(a) the Code is not intended to limit the responsibilities of any Player or Player Support Personnel under such other rules and will not in any way restrict the imposition of penalties for breach of those rules; and
(b) nothing in such other rules shall be capable of removing, superseding or amending in any way the jurisdiction of the Team Manager, Match Referee, Code of Behaviour Committee or Appeal Panel to determine matters properly arising pursuant to the Code.

1.6 For all Offences, actions that occur while the individuals involved are at a venue for a CHK League fixture, but that occur either prior to the toss or after the game is concluded, are still to be considered as having occurred during the Match
in question. The Code is to apply from the moment the individuals arrive at the venue till the moment they leave.

B. Code of Ethics and Good Practice for Youth Cricketers

1.6 Alleged breaches of the Codes of Conduct for Managers, Coaches, Selectors, Parents or Guardians, or Players set out in the Code of Ethics and Good Practice for Youth Cricketers

1.7 The Cricket Ireland Code of Ethics & Good Practice (April 2011) model is to be applied.

C. Code of Behaviour for Member Clubs

1.8 Alleged breaches of the Codes of Behaviour for Member Clubs are set out in Article 2.8 hereof.

ARTICLE 2 CODE OF BEHAVIOUR OFFENCES

A. Code of Behaviour Offences Committed by Players and Player Support Personnel

The behaviour described in Articles 2.1 – 2.4, if committed by a Player or Player Support Personnel shall amount to an offence by such Player or Player Support Personnel under the Code.

COMMENT: For each particular offence, guidance notes have been provided in text boxes beneath the description of that offence. Such notes are illustrative guides only to provide guidance as to the nature and examples of certain conduct that is prohibited by a particular Article and should not be
read as an exhaustive or limiting list of conduct prohibited by such Article. In the case of any doubt as to the interpretation of an offence, the provisions of the offence itself shall take precedence over any guidance notes.

2.1 Level 1 Offences:

The penalty for a Level 1 offence shall be a written reprimand and/or a one-match suspension.

2.1.1 Breach of the ICC’s or CHK’s Clothing and Equipment Regulations during any Match, save for breaches relating to a ‘Commercial Logo’ or a ‘Player’s Bat Logo’ as those terms are defined therein.

**NOTE:** One of the core objectives of CHK’s Clothing and Equipment regulations is to ensure appropriate and professional standards of appearance on the field of play and to prevent those practices that undermine that objective (for example the cover up/alteration of clothing and equipment with sticking plaster or marker pens, the wearing of mismatched undergarments, the wearing of batting pads painted with paint that subsequently fades or falls off and/or the use of prohibited logos).

For the avoidance of any doubt, there shall be no requirement that the Umpire must first provide a warning to the offending person to rectify any transgression referred to above before a breach of this Article can be established.

2.1.2 Abuse of cricket equipment or clothing, ground equipment or fixtures and fittings during a Match.
NOTE: Article 2.1.2 includes any action(s) outside the course of normal cricket actions, such as hitting or kicking the wickets and any action(s) that intentionally or negligently results in damage to the advertising boards, boundary fences, dressing room doors, mirrors, windows and other fixtures and fittings.

2.1.3 Showing dissent at an Umpire’s decision during a Match.

NOTE: Article 2.1.3 includes:
(a) excessive, obvious or inappropriate disappointment with an Umpire’s decision;
(b) an obvious delay in resuming play or leaving the wicket;
(c) shaking the head;
(d) pointing or looking at the inside edge when given out lbw;
(e) pointing to the pad or rubbing the shoulder when caught behind;
(f) snatching the cap from the Umpire;
(g) requesting a referral to the TV Umpire (other than in the context of a legitimate request for a referral as may be permitted in such Match); and
(h) arguing or entering into a prolonged discussion with the Umpire about his or her decision.

It shall not be a defence to any charge brought under this Article to show that the Umpire might have, or in fact did, get any decision wrong.

2.1.4 Using language or a gesture that is obscene, offensive or insulting during a Match.
NOTE: Article 2.1.4 includes:
(a) audible or repetitious swearing; and
(b) obscene gestures which are not directed at another person, such as swearing in frustration at one’s own poor play or fortune.
In addition, this offence is not intended to penalise trivial behaviour.
When assessing the seriousness of the breach, the Umpire shall be required to take into account the context of the particular situation and whether the words or gesture are likely to:
(a) be regarded as obscene;
(b) give offence; or
(c) insult another person.

2.1.5 Excessive appealing during a Match.

NOTE: For the purposes of Article 2.1.5, ‘excessive’ shall include:
(a) repeated appealing of the same decision/appeal;
(b) repeated appealing of different decisions/appeals when the bowler/fielder knows the batter is not out with the intention of placing the Umpire under pressure; or
(c) celebrating or assuming a dismissal before the decision has been given.
It is not intended to prevent loud or enthusiastic appealing.

2.1.6 Pointing or gesturing towards the pavilion by a bowler or other member of the fielding side upon the dismissal of a batsman during a Match.
2.1.7 Public criticism of, or inappropriate comment in relation to an incident occurring in a Match or any Player, Player Support Personnel, Match official or team participating in a Match, irrespective of when such criticism or inappropriate comment is made.

**NOTE:** Without limitation, Players and Player Support Personnel will breach Article 2.1.7 if they publicly criticise the Match officials or denigrate a Player or team against which they have played in relation to incidents which occurred in any Match (including on Social Media). When assessing the seriousness of the breach, the context within which the comments have been made and the gravity of the offending comments must be taken into account.

2.1.8 Using language, actions or gestures which disparage or which could provoke an aggressive reaction from a batter upon his/her dismissal during a Match.

**NOTE:** Article 2.1.8 includes any language, action or gesture used by a Player and directed towards a batter upon his dismissal which has the potential to provoke an aggressive reaction from the dismissed batter, whether or not any reaction results, or which could be considered to disparage or demean the dismissed batter, regardless of whether the batter himself feels disparaged or demeaned (in other words, a ‘send-off’). Without limitation, Article 2.1.8 includes: (a) excessive celebration directed at and in close proximity to the dismissed batter; (b) verbally abusing the dismissed batter; Nothing in this Article 2.1.8 is, however,
intended to stop Players celebrating, in an appropriate fashion, the dismissal of the opposing team’s batter.

2.1.9 Conduct that is contrary to the spirit of the game

**NOTE:** Article 2.1.8 is intended to cover all types of conduct of a minor nature that is contrary to the spirit of the game and which is not specifically and adequately covered by the specific offences set out elsewhere in this Code. The spirit of the game is defined by reference to the Preamble to the Laws of Cricket and involves respect for (a) your opponents, (b) your captain and team, (c) the role of the umpires and (d) the game and its traditional values.

By way of example, Article 2.1.8 may (depending upon the seriousness and context of the breach) prohibit, without limitation, the following: (a) the use of an illegal bat or illegal wicket-keeping gloves; (b) cheating during an International or Domestic Match, including deliberate attempts to mislead the Umpire; and (c) failure to comply with the provisions of various match playing conditions.

2.1.10 Conduct that brings the game into disrepute.

**NOTE:** Article 2.1.9 is intended to cover all types of conduct of a minor nature that bring the game into disrepute and which is not specifically and adequately covered by the specific offences set out elsewhere in this Code, including Article 2.1.8.

By way of example, Article 2.1.9 may (depending upon the seriousness and context of the breach) prohibit, without limitation, the following: (a) public acts of
misconduct; (b) unruly public behaviour; and (c) inappropriate comments which are detrimental to the interests of the game.

2.2 Level 2 Offences:

The penalty for a Level 2 offence is a two- or three-match suspension

2.2.1 Showing serious dissent at an Umpire’s decision during a Match.

**NOTE:** Dissent, including the examples given in Article 2.1.3 above, will be classified as ‘serious’ when the conduct contains an element of anger or abuse that is directed at the Umpire or the Umpire’s decision or where there is excessive delay in resuming play or leaving the wicket or where there is persistent reference to the incident over time.

It shall not be a defence to any charge brought under this Article to show that the Umpire might have, or in fact did, get any decision wrong.

2.2.2 Breach of CHK’s Clothing and Equipment Regulations during a Match relating to a ‘Commercial Logo’ or a ‘Player’s Bat Logo’ as those terms are defined.

**NOTE:** Article 2.2.2 only relates to breaches of the regulations regarding ‘Commercial Logos’ and ‘Player’s Bat Logos’.

For the avoidance of any doubt, there shall be no requirement that the Umpire must first provide a warning to the offending person to remove or cover up
a prohibited logo before a breach of this Article can be established.

2.2.3 Public or media comment that is detrimental to the interests of cricket, irrespective of when or where such comment is made.

**NOTE:** Without limitation, Players and Player Support Personnel will be deemed to have made comment detrimental to the interests of cricket in breach of Article 2.2.3 if they:

Publicly denigrate or criticise a Player or Player Support Personnel, or a team against which they have played, whether or not in relation to incidents which occurred in a Match, or against which they are likely to play;

Denigrate or criticise CHK, the ICC, or any of their respective commercial partners;

Denigrate a country in which they have toured or are or are likely to be touring or officiating;

Denigrate the home country of a touring team against which they have played or are likely to be playing or in respect of which they have officiated or are or are likely to be officiating;

Comment on the likely outcome of a hearing of a Report or an appeal;

Criticise the outcome of a hearing of a Report or an appeal under this Code; or

Criticise any evidence, submission or other comment made by any person at the hearing of a Report or any appeal under this Code.
When assessing the seriousness of the breach, the context within which the comments have been made and the gravity of the offending comments must be taken into account.

2.2.4 Inappropriate physical contact with Players, Player Support Personnel, Umpire, Match Referee or any other person (including a spectator), either in the course of play during a Match or during the periods before or after play at the relevant venue.

**NOTE:** Any form of inappropriate physical contact is prohibited in cricket.

Without limitation, Players will breach this regulation if they deliberately recklessly and/or negligently walk or run into or shoulder another Player or Umpire.

Contact that occurs off the field of play but in the precinct of the venue at which the Match is played shall be deemed on-field contact for the purpose of Article 2.2.4.

2.2.5 Charging or advancing towards the Umpire in an aggressive manner when appealing during a Match.

2.2.6 Deliberate and malicious distraction or obstruction of a Player or Player Support Personnel on the field of play during a Match.

**NOTE:** This regulation includes Players deliberately attempting to distract a striker by words or gestures or deliberately shepherding a batsman while running or attempting to run between the wickets. This regulation operates in addition to the powers vested in the
umpires under Law 42 and in particular Laws 42.4 and 42.5 of the Laws of Cricket.

2.2.7 Throwing a ball (or any other item of cricket equipment such as a water bottle) at or near a Player, Player Support Personnel, Umpire, Match Referee or any other person (including a spectator), in an inappropriate and/or dangerous manner during a Match.

**NOTE:** This regulation will not prohibit a fielder or bowler from returning the ball to the stumps in the normal fashion or from throwing the ball at the stumps or to a teammate when attempting a run out.

When assessing the seriousness of the offence, the following factors (without limitation) shall be taken into account: (i) the context of the particular situation, including, without limitation, whether the action was deliberate, reckless, negligent, and/or avoidable; (ii) whether the ball/object struck the other person; (iii) the speed at which the ball/object was thrown; and (iv) the distance from which the ball/object was thrown.

2.2.8 Using language or gesture(s) that is seriously obscene, seriously offensive or of a seriously insulting nature to another Player or Player Support Personnel or any other third person during a Match.

**NOTE:** It is acknowledged that there will be verbal exchanges between Players in the course of play. Rather than seeking to eliminate these exchanges entirely, Umpires will be required to report such conduct that falls below an acceptable standard. This offence is not intended to penalise trivial behaviour.
When assessing the seriousness of the breach, the Umpire shall be required to take into account the context of the particular situation and whether the words or gesture are likely to: (a) be regarded as seriously obscene; or (b) give serious offence; or (c) seriously insult another person.

2.2.9 Changing the condition of the ball in breach of Law 41.3 of the Laws of Cricket, as modified by CHK’s domestic match playing conditions.

**NOTE:** This offence supplements and does not replace any of CHK’s domestic match playing conditions.

Any action(s) likely to alter the condition of the ball which were not specifically permitted under Law 41.3.2 may be regarded as ‘unfair’. The following actions shall not be permitted (this list of actions is not exhaustive but included for illustrative purposes): (a) deliberately throwing the ball into the ground for the purpose of roughening it up; (b) applying any artificial substance to the ball; and applying any non-artificial substance for any purpose other than to polish the ball; (c) lifting or otherwise interfering with any of the seams of the ball; (d) scratching the surface of the ball with finger or thumb nails or any implement.

The Umpires shall use their judgment to apply the principle that actions taken to maintain or enhance the condition of the ball, provided no artificial substances are used, shall be permitted. Any actions taken with the purpose of damaging the condition of the ball or accelerating the deterioration of the condition of the ball shall not be permitted.
2.2.10 Any attempt to manipulate a Match for inappropriate strategic or tactical reasons.

**NOTE:** Article 2.2.10 is intended to prevent the manipulation of Matches for inappropriate strategic or tactical reasons e.g. prohibit incidents where a team bats in such a way as to either adversely affect its own, or improve its opponent’s, bonus points, net run rate or quotient. The Team Captain of any team guilty of such conduct shall be held responsible (and subject to sanction) for any offence found to have been committed under this Article.

Article 2.2.10 is not intended to cover any corrupt or fraudulent acts (including any use of inside information and/or related betting activity). Such conduct is prohibited under the CHK Anti-Corruption Code and must be dealt with according to the procedures set out therein.

2.2.11 Dangerous and unfair bowling in breach of Law 41.6, 41.7 or 41.8 of the Laws of Cricket, as modified by any CHK playing conditions.

**NOTE:** Article 2.2.11 is intended to cover any breach of Law 41.8, or any dangerous and unfair bowling in breach of Law 41.6 or 41.7 which the umpires determine should be reported under this Code due to the seriousness of the breach. It supplements rather than replaces any existing CHK playing conditions.

2.2.12 Causing avoidable damage to the pitch during any match in breach of Law 41.13 or 41.14 (as applicable) of the Laws of Cricket.
NOTE: Article 2.2.12 is intended to cover deliberate action by a Player to cause damage to the pitch, including, without limitation, action which is intended to give the Player’s team an unfair advantage in the Match.

2.2.13 Deliberate time wasting by any Player or team in breach of Law 41.9 or 41.10 of the Laws of Cricket,

NOTE: Article 2.2.13 is intended to cover deliberate action by a Player or team to waste time during a Match in breach of Law 41.9 or 41.10.

2.2.14 Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct at any time that either: (a) is contrary to the spirit of the game; (b) is unbecoming of a representative or official; (c) is or could be harmful to the interests of cricket; or (d) does or could bring the game of cricket into disrepute.

NOTE: Article 2.2.14 is intended to be a ‘catch-all’ provision to cover all types of conduct of a serious nature that is not (and, because of its nature, cannot be) adequately covered by the specific offences set out elsewhere in this Code.

Article 2.2.14 includes but is not limited to:

On-Field

• Cheating during any Match, including deliberate attempts to mislead the Umpire;

**NOTE:** Includes appealing in an aggressive or threatening manner.

2.3.2 Threat of assault on another Player, Player Support Personnel or any other person (including a spectator) either in the course of play during a Match or during the periods before or after play at the relevant venue.
NOTE: This offence is not intended to cover threats of assault against Umpires or Match Referees, which are prohibited under Article 2.4.1. A threat of assault that occurs off the field of play but in the precinct of the venue at which the Match is played shall be deemed on-field conduct for the purpose of Article 2.3.2.

2.3.3 Use language or gestures that offend, insult, humiliate, intimidate, threaten, disparage or vilify another person on the basis of that person’s race, religion, gender, colour, descent, sexuality or national or ethnic origin.

2.3.4 Public or media comment that is very detrimental to the interests of cricket, irrespective of when or where such comment is made.

NOTE: Without limitation, Players and Player Support Personnel will be deemed to have made comment very detrimental to the interests of cricket in breach of Article 2.3.4 if they (to a more serious degree than detrimental comment that would otherwise be captured by Article 2.2.3):

- Publicly denigrate or criticise a Player or Player Support Personnel, or a team against which they have played, whether or not in relation to incidents which occurred in a Match, or against which they are likely to play;

NOTE: Article 2.3.5 is intended to be a ‘catch-all’ provision to cover all types of conduct of a very serious nature that is not (and, because of its nature, cannot be) adequately covered by the specific offences set out elsewhere in this Code.

2.5 The duties and responsibilities of Managers, Coaches, Selectors, Parents or Guardians and Players are set out in the Code of Ethics and Good Practice for Youth Cricket (See Articles 1.6 and 1.7 above). Breach of any of these duties or responsibilities shall constitute a disciplinary offence.

2.6 If the complaint involves suspected abuse or a criminal offence, the Chief Executive Officer (or his nominee) shall be consulted and, if he so determines, the matter shall be reported to the statutory authorities and removed from the jurisdiction of the Code of Behaviour Committee pending the outcome of any investigation and ensuing action by them. The Chief Executive Officer (or his nominee) may, if he sees fit, suspend the person against whom the complaint has been made from involvement in cricket pending the outcome of this process.
2.7 The penalty for an offence under the *Code of Ethics and Good Practice for Youth Cricket* shall be one or more of the following:

2.7.1 A written reprimand and warning as to future conduct;

2.7.2 In the case of a Player, suspension from such matches or for such a period as may be specified;

2.7.3 In the case of a Manager, Coach or Selector, suspension from that role for such a period as may be specified;

2.7.4 In the case of a Parent or Guardian, suspension from attendance at matches and/or coaching sessions for such a period as may be specified.

2.8.3 Failure of the club or its members to comply with their obligations under the Code of Ethics & Good Practice for Youth Cricket.

2.8.4 Public or any media comment by officers or members of a club that is regarded as detrimental to the interests of cricket or is likely to bring Hong Kong cricket into disrepute.

The penalty for such an offence shall be any one or more of:

- A written reprimand and warning as to future conduct;
- Suspension from specified CHK competitions for such a period as may be specified;
- A fine of up to HK$ 10,000.
ARTICLE 3 CODE OF BEHAVIOUR COMMITTEE, MATCH RULES AND DISCIPLINARY COMMITTEE, AND SECRETARY TO THE COMMITTEES

3.1 CHK shall establish a *Code of Behaviour Committee* (hereafter referred to as the “Committee”) to which responsibility for *Code of Behaviour* and other disciplinary issues is allocated. It shall consist of at least five members, including a Chairman (usually a qualified solicitor, barrister or judge with at least 10 years professional experience) and Vice-Chairman. At least one other member of the Committee shall be a qualified solicitor, barrister or judge (or legally trained with relevant legal experience). No member of the Committee shall be a current member of the CHK Board of Directors, CHK Cricket Committee, or a current committee member of The Association of Cricket Officials (Hong Kong, China).

3.2 CHK shall also establish a *Match Rules and Disciplinary Committee* (hereafter referred to as the “MRDC”) to handle all reports related to Level 1 and 2 Offences. More information on the MRDC can be found in the CHK Playing Conditions (Rule 6).

3.3 A Secretary to the Committees (“the Secretary”) shall be appointed by CHK (usually the Manager-Cricket Operations) to deal with administrative matters under these regulations.

3.4 Members of the Committee shall also act, where required, as an Appeal Commissioner provided they have had no involvement in the matter being appealed. An Appeal Commissioner shall be a qualified solicitor or barrister or judge.
ARTICLE 4 REPORTING AN ALLEGED OFFENCE UNDER THE CODE OF BEHAVIOUR

4.1 Any one of the following individuals can report an alleged offence ("the Complaint") under the Code by lodging a report in the manner described in Article 4.2, below (a "Report"):  

4.1.1 An Umpire or Match Referee who officiated in the Match during or in relation to which the alleged offence was committed;  

4.1.2 The CHK General Manager (or his or her designee);  

4.1.3 A duly authorized officer of the opposing club (usually the opposition team captain, team manager or senior club official)  

4.1.4 A CHK Board Member, acting in an official capacity.  

NOTE: Where the alleged offence took place on the field of play or elsewhere within the sight and hearing of the Umpires or Match Referee, only the Umpires or Match Referee should make the complaint. Where the alleged offence was not so witnessed by the Umpires or Match Referee, the complaint may be made by any of the persons referred to in Articles 4.1.2 to 4.1.4.  

4.1.5 The statement setting out the Complaint shall be in writing, on the prescribed form [CB1] and must be sent to the Secretary no later than 2 (two) working days after the end of the match at which the alleged offence occurred. It may be sent by letter, fax or email.  

4.1.6 Where a Complaint refers to an incident or occurrence not directly related to a match, coaching session or tournament, such Complaint shall be submitted to the Secretary on the
prescribed form [CB1] within 5 (five) normal days of the complainant becoming aware of the alleged offence. It may be sent by letter, fax or email.

ARTICLE 5 REPORTING AN ALLEGED OFFENCE UNDER THE CODE OF ETHICS AND GOOD PRACTICE

5.1 Any one of the following individuals may make a Complaint under the Code of Ethics and Good Practice by lodging a report in the manner described in Article 5.2, below:

5.1.1 **Against a Manager, Coach or Selector**: Any other Manager, Coach or Selector, or a Parent or Guardian, or an authorised officer of the opposing club (or of another National Board in the case of an international fixture or tournament);

5.1.2 **Against a Parent or Guardian**: Any other Manager, Coach or Selector, or another Parent or Guardian, or an authorised officer of the opposing club (or of another National Board in the case of an international fixture or tournament);

5.1.3 **Against a Player**: Any Manager, Coach or Selector, or the Parent or Guardian of another Player, or a duly authorised officer of the opposing club (or of another National Board in the case of an international fixture or tournament).

5.1.4 **Against any club or team**: Any team or club that participates in the CHK domestic leagues.

5.2 The Complaint statement, setting out the alleged offence, shall be in writing, on the prescribed form [CB2] and must be sent to the Secretary no later than 5 (five) working days after the end of the match, coaching session or tournament at
which at which the alleged offence occurred. It may be sent by letter, fax or email.

ARTICLE 6 THE DISCIPLINARY PROCEDURE

Level 1 and Level 2 Offences only:

6.1 Where the Complaint relates only to a Level 1 Offence or Level 2 Offence by a player or support personnel (“the Respondent”), the complaint shall be sent to the Match and Rules Disciplinary Committee (“MRDC”) for their handling.

6.1.1 The MRDC shall provide a copy of the Complaint to the Respondent and invite, within 3 (three) business days of receipt of the Complaint, either: (i) a plea of guilty to the offence contained in the Complaint together with consent to the imposition of a stated penalty, or (ii) a written submission from him/her including any evidence upon which the respondent wishes to rely should they wish to contest either Complaint and/or the stated penalty.

6.1.2 Where a plea of guilty together with consent to the stated penalty is forthcoming, the matter will be fully disposed of on that basis and no appeal in this regard will be permitted.

6.1.3 Upon valid receipt the Respondent’s written submission, or if none is forthcoming within the stated period, the MRDC shall reach a decision on the Complaint and advise the Secretary. The Secretary shall, thereafter, inform the Respondent in writing by letter, email or fax of the decision and of any penalty and forward a copy to the CHK General Manager and the Chairman of the Respondent’s club.
6.1.4 In deciding any relevant penalty above (Articles 6.1.1 and 6.1.3), the MRDC shall have regard to the prior disciplinary record of the Respondent as well as any other factors that they, at their sole discretion, deem relevant.

6.1.5 The MRDC can contact the person who lodged the Complaint, the Respondent, or any other individual involved with the incident for further information that they deem necessary to reach their decision.

6.1.6 Decisions in relation to a first Level 1 Offence shall be non-appealable and shall remain the full and final decision in relation to the matter.

6.1.7 The MRDC may, at their sole discretion and prior to notification of the Complaint to the Respondent, elevate the Complaint from a Level 1 Offence to a Level 2 Offence (or Level 2 Offence to Level 3 Offence, as the case may be) if, in their opinion, the circumstances warrant this. In the event of a Level 2 Offence being elevated to a Level 3 Offence, the Complaint shall be dealt with under Article 6.2.

6.1.8 Furthermore, and for the avoidance of doubt, although a Complaint may categorise an offence as a particular category of offence, the MRDC shall not be bound by that categorisation and may decide that, on the evidence, another category of offence, and therefore penalty, is appropriate.

6.1.9 The MRDC may, at their sole discretion and prior to notification of the Complaint to the Respondent, choose to pass on a Complaint to the Code of Behaviour Committee for their handling instead. The Committee will follow the same procedure as the MRDC under 6.1 when handling the Complaint.
6.1.10 The standard of proof shall be whether the MRDC is reasonably satisfied that the alleged offence has been committed. This standard of proof shall be determined on a sliding scale from a mere balance of probability (for the least serious offences) up to a high probability (for the most serious offences).

**All Other Offences:**

6.2 The following shall apply to all offences other than Level 1 and Level 2 Offences by a Respondent which are dealt with under Article 6.1:

6.2.1 A specific panel ("the Panel") comprised of a chairman and two other members (all of whom shall be members of the Committee) shall be appointed by the Secretary after consultation with either the Chairman or Vice-Chairman of the Committee to adjudicate on the Complaint (or Complaints) on behalf of the Committee. At least one member of any Panel shall be a qualified solicitor, barrister, judge or legally trained with relevant legal experience.

6.2.2 Each member of the Panel shall have one vote. In the event of an equality of votes for any reason, the Chairman of the Panel shall have a casting vote.

6.2.3 In appointing the Panel, the Secretary and the Chairman or Vice-Chairman of the Committee shall, insofar as is practical, endeavour to ensure that no person is appointed who may have a conflict of interest in relation to the Complaint or the Respondent.

6.2.4 The Panel shall have all powers necessary for, and incidental to, the exercise of its functions and, subject to these
regulations, it shall have the power to regulate its procedures.

6.2.5 The hearing shall be held as soon as reasonably practical and shall be confidential and held in private, unless the Panel decides otherwise.

6.2.6 Unless exceptional circumstances apply, each of the following individuals must attend any hearing before the Panel:

(a) the Respondent who has been charged with the alleged offence or in the case of a Club a duly authorised officer of the club; and

(b) the person who lodged the Report.

Where any such individual has a compelling justification for his/her non-attendance, then they shall be given the opportunity to participate in the hearing before the Panel by telephone or video-conference.

6.2.7 The Panel may postpone or adjourn a hearing if appropriate, including to take any legal advice that it considers necessary, or if it considers it necessary to call evidence that was not available at the initial hearing.

6.2.8 The Respondent, or in the case of a club the duly authorised officer of the club, shall be invited by the Secretary to attend the hearing. He shall be sent a copy of the Complaint and notified in writing of:

(a) The place and time of the hearing;

(b) His/her entitlement to be accompanied to the hearing, at his/her own cost, by a supporter. The supporter may be a work colleague, fellow player or club member, family member or friend (he/she is not entitled to be legally represented);
(c) Where applicable, the absolute requirement that any Respondent aged under 18 shall be accompanied at the hearing by a responsible adult (preferably his parent or guardian);

(d) His/her entitlement to call witnesses to give evidence at the hearing.

(e) The intended penalty should the Respondent plead guilty to the offence contained in the Complaint.

Where the Defendant is less than 18 years of age, the notification shall be sent to his parent or guardian.

The non-attendance of the Respondent, in the case of a Club the authorised officer and/or his/her supporter at the hearing, after proper notice of the hearing has been provided, shall not prevent the Panel from proceeding with the hearing in his/her absence, whether or not any written submissions are made on his/her behalf.

6.2.9 For all offences (other than Level 1 and Level 2 Offences dealt with under Article 6.1), a Respondent may admit to the offence in writing to the Secretary within 3 (three) normal days of receipt of the notice of hearing and submit, in writing, any statement he wishes to make as regards the appropriate penalty. In such circumstances, the Panel shall decide the penalty without the need for a hearing.

6.2.10 The Panel may, at the request of the Respondent or on its own initiative, require the Respondent and/or the person making the Complaint to supply it, within such time as it determines, with further particulars of the incident(s) giving rise to the Complaint, including details of all witnesses whom the Respondent intends to call at any hearing together with details of the evidence to be given by those
witnesses, and the Respondent and/or the person making the Complaint shall comply with that direction.

6.2.11 Any failure by a Respondent to comply with any requirement or direction of the Panel, including those requirements or directions to be complied with within a time period, shall not prevent the Panel from proceeding and such failure may be taken into consideration by the Panel when making its decision.

6.2.12 The Respondent’s supporter may advise the Respondent during the hearing, may question witnesses and make representations on the defendant’s behalf, and may seek procedural guidance from the Panel. He/she shall not answer questions on the Respondent’s behalf.

6.2.13 A record shall be taken of all hearings by the Secretary or, in his/her absence, by another person appointed by the Panel.

The Decision and Penalty of the Panel

6.3 For the avoidance of doubt, although a Complaint may categorise an offence as a particular category of offence, the Panel shall not be bound by that categorisation and may decide that another category of offence, and therefore penalty, is appropriate.

6.4 The standard of proof shall be whether the Panel is reasonably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed. This standard of proof shall be determined on a sliding scale from a mere balance of probability (for the least serious offences) up to a high probability (for the most serious offences).
6.5 After hearing the evidence the Panel shall, where appropriate, retire to consider its decision and the Chairman of the Panel shall then give the decision orally to the Respondent.

6.6 If that decision is that the Respondent is guilty of an offence, the Chairman of the Panel shall explain the range of penalties that the Panel can impose.

6.6 The Respondent shall be given the opportunity to make a submission or statement on the appropriate penalty.

6.7 If deemed appropriate, the Panel may hear the Respondent’s submissions on penalty prior to having reached its decision on the Complaint, where it would be unreasonable or impractical to hear the submission after reaching its decision on the Complaint.

6.8 In deciding the penalty, the Panel shall have regard to any prior disciplinary record of the Respondent.

NOTE: For the avoidance of doubt, if a prior offence in relation to which the Respondent had been found guilty occurred within 12 months of the offence being considered by the Panel the offence being considered shall only be considered a second (or subsequent offence, as the case may be) if the prior offence was in relation to same Article of the Code of Behaviour (and any predecessor regulations that may have applied).

Once the Panel has established whether this is a repeat offence within the relevant 12-month period, then they shall go on to take into account any other factors that they deem relevant and appropriate to the mitigation or aggravation of the nature of the Code of Behaviour offence before
determining the appropriate sanction(s). Those factors may include:

i. The seriousness of the breach;

ii. The harm caused by the breach to the interests of cricket;

iii. The Respondent’s seniority and standing in the game;

iv. Any remorse shown by the Respondent and the prospect of further breaches;

v. The prior record of the Respondent in abiding by the Code (or any predecessor regulations that may have applied), the ICC Code of Conduct and any similar code of behaviour; and

vi. The impact of the penalty on the Respondent.

6.9 The Chairman of the Panel shall, where reasonably practical, give the decision regarding the appropriate penalty orally at the hearing. It shall be effective immediately upon oral communication to the Respondent.

The oral decision shall be confirmed in writing to the Respondent (in the case of a Respondent aged under 18, his parent or guardian) within (3) three working days by letter, email or fax, and a copy forwarded to the Secretary of the CBC, the Chairman of the Respondent’s club and, where applicable, the Chairman of the League and Cup Management Committee.

6.10 The Committee has an absolute discretion to waive compliance with any procedural requirement of this Code provided that no party will suffer any undue prejudice through such exercise of discretion.
ARTICLE 7  APPEALS

7.1  A Respondent may appeal from the decision of the Committee as to the finding of guilty, the penalty imposed or both. Decisions made under the Code by the MRDC or the Committee in relation to a first Level 1 Offence (Article 6.1.4) shall be wholly non-appealable (notwithstanding anything that may appear to indicate otherwise in this article) and shall remain the full and final decision in relation to the matter.

7.2  Any appeal must be made in writing and sent to the Secretary by letter, email or fax no later than 3 (three) working days after receipt of the written decision of Committee and:

(a)  Must be accompanied by an administration fee of HK$1,000; and

(b)  Must set out the legal and/or procedural grounds for the appeal.

7.3  The Secretary shall, once an appeal has been received him and he has satisfied himself that such decision of the Committee may be subject to appeal, appoint an Appeal Commissioner and forward to him details of the Complaint, any witness statements, the decision of the Committee and the record of the hearing (if applicable). Also, upon receipt of the appeal, the Secretary shall inform the Respondent (or his/her parents or guardian where Respondent is under 18 years of age) that any penalty under Articles 6.1.3 and 6.9 will be suspended until the conclusion of the appeal.

If the Appeal Commissioner appointed to hear an appeal considers that he may have a conflict of interest he shall advise the Secretary of this. The Secretary shall then appoint another Appeal Commissioner to hear the appeal. In the
event that all members of the Committee are ineligible and/or unavailable to act in the capacity of Appeal Commissioner, the Secretary shall, after consulting with the Chairman of CHK, appoint an Appeal Commissioner to hear the appeal. This person shall be a qualified solicitor, barrister or judge (or legally trained with relevant legal experience). Furthermore, this person so appointed, shall not be a current member of the CHK Board of Directors, Executive Committee, League and Cup Management Committee or a current committee member of The Association of Cricket Umpires and Scorers (Hong Kong, China).

7.4 The Appeal Commissioner shall have all powers necessary for, and incidental to, the exercise of his functions and, subject to these regulations, he shall have the power to regulate the procedures of matters which come before him. He shall conduct the appeal hearing in accordance with Articles 6.2.4 to 6.2.13, with such adjustments as the Appeal Commissioner deems necessary in order to reflect the different context.

7.5 Appeals in respect of all offences other than second Level 1 or Level 2 offences by a player shall proceed by way of a de novo hearing (i.e. a fresh hearing of the evidence and/or submissions on penalty as may be applicable) by the Appeal Commissioner.

7.6 The Appeal Commissioner shall deal with appeals in respect of second Level 1 and Level 2 offences purely on the basis of the documentation and there shall be no hearing.

7.7 The Appeal Commissioner shall give his decision within 5 (five) days of the hearing. If the Appeal Commissioner considers that there are circumstances which require a period longer than seven days, he shall so advise the Respondent (in
the case of a Respondent aged under 18, his parent or
guardian) and inform the Director of Cricket.

7.8 If the Appeal Commissioner considers that he requires further
information, then he may request such information from the
person from whom he needs it. He may stipulate the time
within which it must be forwarded to him and the time for
the determination of the appeal shall be suspended.

7.9 The Appeal Commissioner may direct that the administration
fee (Article 7.2) be returned if the appeal is successful or if he
considers that there were valid grounds for the making of the
appeal which justify the return of part or the entire fee.

7.10 On his determination of the appeal the Appeal Commissioner
shall give notice in writing of his decision to the Respondent
(in the case of a Respondent aged under 18, his parent or
guardian) by letter, email or fax, and forward a copy to the
Secretary and, where appropriate, the Chairman of the
Respondent’s club.

7.11 For the avoidance of doubt, where a Respondent admits the
offence charged and accedes to the proposed sanction
specified in the Notice of Complaint in accordance with the
procedure described in Articles 6.1.2 or 6.2.9, the
Respondent waives his/her right to any appeal against the
imposition of such a sanction.

ARTICLE 8    HONG KONG TOURING TEAMS

8.1 Breaches of the Code may arise when Hong Kong
international touring teams are outside of Hong Kong and it
may be necessary to deal with such issues immediately. In
addition to Code violations, disciplinary offences may include
failure to meet contractual obligations where the player is contracted to CHK.

8.2 The matter shall be heard by the Team Manager if he is of the view that the matter is urgent. If the Team Manager considers himself to have a conflict of interest, the person to take responsibility shall be the most senior representative of the CHK present.

8.3 The person conducting the hearing shall conduct it broadly in accordance with the provisions set out herein, subject to such changes as he, in his sole discretion, determines to be necessary.

8.4 A right of Appeal exists in accordance with the provisions specified above but it may be that such an appeal may not be practical until the tour is over. The Appeal Commissioner appointed to deal with the matter shall determine this entirely at his discretion.

8.5 Where the player is contracted to CHK, the range of penalties may be provided for in the contract.

8.6 Where the player is found to have committed the offence and if as a result of the penalty imposed, the Team Manager considers that the player should be required to return home because he will not be available to play at all or in a sufficient number of matches on the tour, the player may be required to return home at the earliest possible time.

ARTICLE 9 RECOGNITION OF DECISIONS

Any hearing results or other final adjudications under the Code shall be recognised and respected by CHK and its Member Clubs, without the need for any further formality. Each of CHK and the Member
Clubs shall take all steps legally available to it to enforce and give effect to such decisions.

ARTICLE 10 AMENDMENT AND INTERPRETATION OF THE CODE OF BEHAVIOUR

10.1 The Code of Behaviour may be amended from time to time by CHK, with such amendments coming into effect on the date specified by CHK.

10.2 The headings used for the various Articles of the Code of Behaviour are for the purpose of guidance only and shall not be deemed to be part of the substance of the Code of Behaviour or to inform or affect in any way the language of the provisions to which they refer.

10.3 The Code of Behaviour shall come into full force and effect on 11th October 2021 (the “Effective Date”). It shall not apply retrospectively to matters pending before the Effective Date; provided, however, that any case pending prior to the Effective Date, or brought after the Effective Date but based on an offence that is alleged to have occurred before the Effective Date, shall be governed by the predecessor version of the Code of Behaviour in force at the time of the alleged offence, subject to any application of the principle of lex mitior by the determining the case.

10.4 If any Article or provision of this Code of Behaviour is held invalid, unenforceable or illegal for any reason, the Code of Behaviour shall remain otherwise in full force apart from such Article or provision that shall be deemed deleted insofar as it is invalid, unenforceable or illegal.
10.5 The Code of Behaviour is governed by and shall be construed in accordance with the laws of the Hong Kong Special Administrative Region of the People's Republic of China. Disputes relating to the Code of Behaviour shall be subject to the exclusive jurisdiction of the Courts of the Hong Kong Special Administrative Region of the People's Republic of China.

**ARTICLE 11 OTHER CODES AND POLICIES**

The conduct prohibited under the following codes and polices shall also amount to an offence under this Code of Behaviour, provided that the offences, processes and penalties shall be determined in accordance with the relevant code or policy:

1) ICC Anti-Corruption Code
2) ICC Anti-Corruption Code
3) ICC Anti-Doping Code
4) Illicit Substances Rule
5) ICC Anti-Racism Code and
6) ICC Anti-Harassment Policy

The need to maintain the over rate is important for the conduct of the game given constraints on ground bookings in Hong Kong.

Should a team have a slow over rate as assessed under Rule 17 of the CHK Playing Conditions the batting team will be awarded a 5 run penalty per slow over and the captain will be given a first and final warning.

A second or further instance of a slow over rate in a season by the same team will result in a one match suspension of the captain. The following procedures shall apply:

a) The suspension of the captain is to be automatic, subject to review where special circumstances may have arisen. Failure of umpires to advise on the over rate, allow for good cause, signal completion of the scheduled time or to manage time wasting by the batting side shall not be sufficient separately or as a whole to waive this penalty.

b) If a captain plays any part in a CHK domestic league game while suspended, the team in question shall forfeit the game.
CoB Appendix 3: Suspensions

If the Code of Behaviour Panel invokes a suspension of a player or official, it is to be applied as follows:

1. A playing suspension relates to a number of games his team plays in the level of competition wherein the offence was committed and any CHK cricket at a ‘lower level’. In other words, a player reported during a Sunday Elite game and suspended for three matches will be unable to participate in any form of CHK cricket until his team has played three consecutive Sunday games, but may play in the Premier League.

2. CHK will notify the suspended player, team captain and club representative of the games to be missed and the date when the player may recommence playing. Details will be posted on the CHK website. It the responsibility of the suspended player, the team captain and the club to conform with the suspension and failure to comply by any of these shall be deemed as non-compliance. All suspensions come into force at 6am on the day following the [Code of Behaviour Panel] ruling. A player who plays whilst suspended commits an offence and the original penalty imposed will be doubled and the team playing the illegal player will forfeit the match with all points awarded to the opposition.

APPENDIX 3: Suspect Bowling Process

The objective of CHK Suspect Bowling Process is to oversee matters relating to the assessment and rectification of suspect delivery actions by bowlers, covering both international and domestic cricket. The process will be directed by CHK Suspect Bowling Committee.

1. CHK Suspect Bowling Committee

The Suspect Bowling Committee will comprise of four members by CHK. For the 2021-22 season, they are:

1) Chairman Of Committee – Tabarak Dar
2) CHK High Performance Manager (Mr Mark Farmer),
3) National Coach (Mr Trent Johnston), and
4) Team Performance Analyst (Mr Chris Pickett)

The goal of this process for players and officials are to:

a) Minimize suspect bowling actions in Hong Kong;

b) Have a clearly understood remedial management process to benefit the competitions, the national squads, all players (in terms of ability to continue bowling and develop their abilities) and the clubs.

b) Minimize on-field calling of suspect actions, other than obvious or intentional throwing as opposed to flaws in technique.

2. Suspect Bowling Process in Domestic Cricket

Upon first time identification by the umpire(s) and/or CHK full-time coaching staff of a bowler with a suspect/doubtful action during a CHK sanctioned match, the following action will be taken:

The umpires or CHK coach reports to CHK Operations Manager in writing within 2 days of the match using the Suspect Bowling Action Report Form.
a) CHK Operations Manager informs CHK Suspect Bowling Committee and the player’s club representative.

b) The Chairman of the Suspect Bowling Committee organizes for Video Footage of the player to the committee and if required, the Team Performance Analyst arranges a slow-motion video recording of the bowler under match conditions at the earliest convenient opportunity for assessment by the Suspect Bowling Committee; and

c) The Suspect Bowling Committee submits a report to the player’s club and CHK Projects Coordinator confirming the outcome

d) The Above process should be completed within 30 Days of receiving the Suspect Bowling Action Report.

3. Illegal Action

a) If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a period of 6 months (From the date CHK Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.

b) During the banned period if the player is allowed to bowl by the captain, the captain commits Level 1 offence.

c) The club then must submit in writing if they believe the player has done the appropriate remedial work and inform CHK Operation Manager if the bowler in question will begin bowling in matches (after they have served the 6 months). If the bowler is reported again in the proceeding 12 months and found to have an illegal bowling action by CHK Suspect Bowling Committee, the player will be banned for a further 12 months.

4. Appeal
If a club/player does not agree with the outcome of CHK Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK sanctioned matches during this time and will undergo testing at and ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

a) **Legal**

   Flights, Accommodation, insurance, transfers and testing costs are to be shared 50/50 between the player’s club and CHK.

b) **Illegal**

   Flights, accommodation, insurance, transfers and testing costs are to be met in full (100%) by the player’s club.

*Note: The club must make a deposit to CHK of the estimated full cost prior to confirming the testing*

5. **Doubtful Action**

If the player is considered to have a doubtful action by CHK Suspect Bowling Committee they will be closely monitored and filmed under match conditions using the slow-motion camera after 21 days at the most appropriate opportunity. Note: The player will then either be considered ILLEGAL or LEGAL.

6. **Legal Action**

If the player is confirmed to have a legal action, he/she will be able to continue bowling in all CHK sanctioned matches. The player will also not be allowed to be reported again in the coming 12 months.

7. **Suspect Bowling Process in International Cricket**
If a Hong Kong player is reported for suspect bowling by the ICC, CHK (Suspect Bowling Committee) may be asked to take remedial action and submit a report to the ICC for further, joint action.

If a player is suspended by the ICC for an illegal bowling action the player will also be suspended from bowling in CHK sanctioned cricket for the same period.

Following suspension, the bowler’s action must be cleared by the ICC through the formal testing procedures

CHK will cover all costs associated with the first testing whether the player is a National Squad member or not.

**Follow up testing**

a) If the player is no longer a national squad member and requires a further test, the players club must pay a deposit of $8,000HKD to undergo the testing. If the player is declared to have a legal action then the $8,000HKD will be reimbursed to the club, if the player is still considered to have an illegal bowling action they will forfeit the $8,000HKD as a contribution towards the costs of testing. Any further testing for a non-national squad player will be at the expense of the player/club.

b) It is imperative that the Suspect Bowling Committee works with the club/player and makes a recommendation whether the bowler should undergo further testing or continue to work on the suspect action.

**Note:** The club must make a deposit to CHK of $8,000HKD prior to confirming the test.
Suspect Bowling Process in International Cricket with a desire to return only to Domestic Cricket

If a player has been suspended by the ICC and does not endeavour to play as a bowler for Hong Kong in the future and/or retires from international cricket:

a) If a Hong Kong player is reported and suspended by the ICC for an illegal bowling action by the ICC, the player will automatically be banned for a minimum of 6 months in domestic cricket to work/remodel his/her action.

b) If the player then wishes to be cleared to bowl in Domestic Cricket only, they will need to write to the Suspect Bowling Committee requesting a bowling test (all deliveries they wish to be cleared for).

c) The Suspect Bowling Committee will then arrange a test using a slow-motion camera at the most convenient time to all parties (an effort to be made within 14 days of receiving the written request).

7. Illegal Action

If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a further period of 6 months (From the date CHK Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.

The club then must submit in writing (after the banned period) if they believe the player has done the appropriate remedial work and inform the Suspect Bowling Committee. The process will then be repeated as above.
8. Appeal

If a club/player does not agree with the outcome of CHK Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK sanctioned matches during this time and will undergo testing at an ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

a) Legal

Flights, Accommodation, insurance, transfers and testing costs to be shared 50/50 between the player’s club and CHK

b) Illegal

Flights, accommodation, insurance, transfers and testing costs to be met in full (100%) by the player’s club

Note: The club must make a deposit to CHK of the estimated full cost prior to confirming the testing

Committee (MRDC) for final adjudication.

c) The CHK Board of Directors will appoint individuals to the MRDC, with the Cricket Operations Manager acting as secretary.

d) Disputes, with all relevant details, shall be submitted to the Cricket Operations Manager by email within 24 hours of the end of the match.

e) The MRDC may contact the person who lodged the Dispute, the individual(s) the Dispute is with, or any other individual involved with the incident for further information if necessary.

c) Before the start of the season, the CHK Office will issue invoices to clubs for all CHK Fees due, and these must be settled in full on or before the due date.

8. **Registration and Eligibility of Players**

a) All Teams taking part in CHK’s leagues are required to register their squad with CHK before the commencement of their first game.

b) Teams can register new players as the season progresses, provided that player is eligible to compete in competition the team is taking part in (as per the competition’s rules), and that the CHK Cricket Operations Manager has been informed.

c) The CHK Operations Manager must be informed of a new addition to a team before the player has played a game. This can be done no later than before the toss of the first game the player will be taking part in for that team.

d) Clubs are responsible for creating new player profiles on CricHQ and adding profiles to teams. Refer to Playing Condition 26.2.

e) Each team may field only one person who does not have the legal right to reside in Hong Kong per game. That is, every other player taking part in the game for that team must have a HKID, or be able to provide supporting documentation that they can live in HK.

**Registering Junior Players**

f) Each Junior player can only take part in two age groups during the season. Requests for an exemption to this must be made in writing to CHK management.

g) Clubs shall be responsible for determining the most appropriate age group (s) that each child shall play in. This should take into account the player’s physical maturity in relation to players of the same age and their playing ability.

h) Boys and Girls that are named in representative squads or emerging player squads at age-group levels may have to undergo physical testing to determine their ‘correct’ age. This may involve
a bone test, in line with the ACC’s testing of players for age-group competitions.

i) All Junior Registrations will be subject to the approval of CHK Management. CHK may choose to arrange an in-person assessment of a player if they feel they may be unsuited for the age group they have been registered for. A panel will be set up to assess all such cases.

j) Player details must be entered into CricHQ and a player consent form must be signed for each player, the consent form must contain the following text:

“I hereby give consent for ("my child") to train and play cricket for _____________ (enter Club name) and/or Cricket Hong Kong and participate in age-group and adult/open age cricket matches organised by _____________ (enter Club name) and/or Cricket Hong Kong, both in Hong Kong and abroad.

I acknowledge that cricket can be inherently dangerous and that serious accidents can happen, which may result in injury to my Child. I am fully aware and accept sole and unconditional responsibility for the health and safety of my Child in the cricket environment, including the risk of personal injury. I agree as a condition of my Child participating in the cricket environment, including playing in matches organised by _____________ (enter Club name) and/or Cricket Hong Kong, that to the maximum extent permitted by law I absolve and shall hold _____________ (enter Club name) and Cricket Hong Kong harmless and indemnify them from all liability arising out of any injury to my Child howsoever caused in the cricket environment, including while training or playing cricket. I release and forever discharge _____________ (enter Club name) and/or Cricket Hong Kong from all claims that I may have on behalf of my Child in connection with my Child participating in the cricket environment. I authorise _____________ (enter Club name) and/or Cricket Hong Kong
representatives to arrange medical or hospital treatment for my Child if I am unable to do so.”

k) CHK will at random, request signed parental consent forms throughout the year from all clubs.

**Unregistered or Improperly Registered Players**

An unregistered player is defined as a player that does not have a profile on CricHQ and/or that CHK has not been informed about.

An improperly registered player is one who does have a CricHQ profile, but whose key information (full name, date of birth, gender, HKID number, phone number and email ID) has not be shared with CHK and has not been entered on to their CricHQ profile. The first occasion that a team fields an Unregistered or Improperly Registered player in a game will lead to a First and Final warning for that team. The 2nd offence will lead to a 0.5 point penalty (or equivalent for leagues where a win is worth more than 2 points), the 3rd offence a 1 point penalty (or equivalent), and all subsequent offences a 2 point penalty (or equivalent).

**Fielding Ineligible Players**

l) It is the team’s responsibility to ensure that all players in their team are eligible for the competition they are participating in.

m) Playing an ineligible player is considered as serious breach of CHK rules by a team. Should a team play with an ineligible player they will forfeit the game with maximum points for the match awarded to the opposition. If both teams field ineligible players the match is void and neither team shall earn match points. For clarity, the playing of ineligible players includes, but is not limited to, the following:

i. Playing more than one person who is not legally permitted to reside in Hong Kong;
ii. Playing a person, not U17, who has played for a different team in the same competition but has not received approval from CHK Management for transfer;

iii. Allowing a player to bowl whilst suspended due to suspect bowling action;

iv. Playing a player who has been suspended by the CBC and is yet to complete the suspension;

v. Playing one player in 3 or more age groups in Junior Cricket without CHK approval

vi. Playing an over-age player in Junior Cricket without CHK approval

n) Teams that forfeit matches in this manner will be reported to the CHK Management, and could be liable to further sanctions. Refer to Playing Condition 30.

o) Male U17 players and Women may play for any senior men’s team in the Saturday Championship and Sunday Elite competitions (see Rule 10)

p) Female players of any age may play in any men’s competition including U17 and U19 Leagues.

q) Girls are allowed to play in age-group leagues if aged no more than two years above the age limit for boys. E.g. a girl born on or after 1st September 2009 may play in the Under-11 league; a girl born on or after 1st September 2007 may play in the Under-13 league etc.

9. **Transfer of Players**

a) A player shall not, without the prior permission of the CHK Management, play for more than one team in the same
competition, unless covered under Rule 10.

b) Women’s players may only play for one club during the season in all forms of women’s cricket unless with prior CHK permission. That is, a player cannot transfer clubs or play for different clubs in different women’s competitions.

c) In exceptional circumstances, applications for transfer may be submitted in writing to CHK (Attn: Cricket Operations Manager) at least 72 hours before the transfer is to take effect. This must be submitted by the player in question, and should be accompanied by the written approval of the captain or representative of the player’s previous team, and a full explanation of the reason for the transfer by the applicant. Breaches of this rule will be referred to the CHK Rules Committee, who may impose appropriate sanctions including the deduction of league points or removal of the offending team from the competition.

Off-season Transfers

d) If a player changes clubs during the off-season, he or she (THE PLAYER) must submit a completed player transfer request form (ie, signed by both the original club and the new club) to CHK.

e) It is incumbent on the player to ensure there are no unpaid dues (e.g. membership fees, coaching fees, playing kit costs, etc) with their original club.

f) If there are unpaid dues, the original club may deny the transfer request until the dues are settled, or until the season is completed.

g) If there are no unpaid dues, and if the original club fails to respond to the applicant within 14 days, the matter can then be referred to CHK, who may approve the transfer without the
original club’s approval.

h) For clarity – any transfer that occurs during the season, of a player who has played in the previous season, but who has not yet played during the current season, will be considered an ‘off-season’ transfer, and the above process will apply.

i) Breaches of this rule will be referred to the CHK Match and Rules Committee, who may impose appropriate sanctions including the deduction of league points or removal of the offending team from the competition.

10. Under-17s, Women and Under-15 Girls representing multiple teams

Any male cricketer who, on 1st September 2022, is below the age of 17 years, and has registered with CHK

OR

Any female cricketer

Will be eligible to play an unlimited number of games for any side in the Men’s Saturday and Sunday competitions. That is, they will be able to represent multiple teams within the Saturday and Sunday competitions.

Any female cricketer who, on 1st September 2022, is below the age of 15 years, and has registered with CHK, will be eligible to play an unlimited number of games for any side in the Women’s competitions. However, they may only represent one team on any given weekend.
11. Fixtures
CHK Office shall publish the schedule of fixtures for League and Cup matches. The CHK Management must approve any changes to the fixtures after they have been published.

12. Postponement of Matches
Postponements of matches and changes of venue will not be permitted under normal circumstances. Requests for blank dates and other particular arrangements must be made before the season commences except as provided for in the Competition Rules. Player availability will not be considered good reason to postpone or change any fixture. In exceptional circumstances, requests may be made to the CHK Management whose decision shall be final.

Rain-Affected or Washed-Out matches will not be rescheduled unless it is a League Final.

Every effort will be made to reschedule a washed-out or otherwise abandoned League final, provided that a suitable venue for the fixture can be found within the scheduled end date of the season, and that the provisions listed under the Participation Agreement are met.

13. Ground, Weather and Light
a) Before the toss has taken place, the decision with regard to the fitness of the ground will rest with the authority responsible for the maintenance of the ground. In the absence of the ground authority, the decision rests with the nominated CHK staff present at the ground. If no CHK staff is present, then it lies with the umpires appointed by CHK or CHK, ACO and in their absence, the team captains.

b) After the toss has taken place, subject to c), the appointed umpires
or, in their absence, the captains shall be the sole judges as to whether conditions are fit for play. If both captains cannot agree, both teams shall remain at the ground for one hour after the scheduled start time at which time the home captain shall decide whether or not play is to commence.

c) The ground’s authority has the right to intercede in a game and stop play if they reasonably consider continuance or resumption of play would likely lead to significant/unreasonable damage to any part of the ground or facilities. Where qualified umpires have been officially appointed such action should be subject to consultation and agreement with the umpires, who should take potential damage to the ground and pitch into consideration.

d) **Application of Law 2.8.3** – If the conditions during a rain stoppage improve and the rain reduces to drizzle, the umpires must consider if they would have suspended play in the first place under similar conditions. If both umpires agree that the current drizzle and ground conditions as a result, given c), plus allowing for further possible deterioration, would not have caused a stoppage then play shall resume immediately.

e) If any league match is adversely affected by weather or ground conditions to the extent that a result cannot be achieved, the match shall be abandoned and the points for that game shall be shared equally between the teams (assuming the minimum number of overs to constitute a match has not been bowled).

f) Where one Umpire is of the opinion it is unsafe or unsuitable for play to continue the game will be stopped and players asked to leave the ground.

g) If a shadow from a fielder falls across the striker’s half of the pitch, the fielder must remain stationary from the time the bowler starts his run-up until the striker receives the ball. If the fielder moves
before the striker receives the ball, the umpire shall call and signal Dead Ball if he considers the striker has been distracted by the action. If the umpire considers the movement was a deliberate attempt to distract the batsman the umpire will take action under Law 42.4 (Deliberate attempt to distract striker).

h) Play shall cease immediately, in the event that a lightning flash is followed by thunder within 30 seconds. Play shall not resume until 30 minutes after the last lightning flash. It is recommended that no person enter the field of play during the period that play is suspended under this rule.

e) Games will be abandoned when there is a BLACK RAINSTORM WARNING and/or TYPHOON SIGNAL No. 8 or above.

14. Toss, Team Nomination and Punctuality

a) Unless otherwise specified, the toss shall be conducted in the presence of an umpire and a representative of both teams not earlier than 30 minutes nor later than 15 minutes prior to the scheduled start of play.

b) Each team must provide a team list to the umpire/s at or prior to the toss. If no umpire is present, the team captains, or their representatives, should toss the coin at the designated time and exchange their respective team lists.

c) In the event that a team does not have a representative available for the toss as outlined in a), the incident must be reported to the Cricket Operations Manager. The offending team will be liable to having the result of the game in question overturned to a forfeit.

d) A side shall be of no less than seven players, or as specified, at the scheduled start of play. In the event of any team being unable to raise a side at the scheduled time for start of play, a walkover may be awarded to the opposition, together with full points for a
win, for Premier League 2-Day matches, outright points.
e) For Women’s T20 League Division 2 the team list must identify
players with less than two seasons of cricket experience.
f) For Senior Cricket, players under the age of 18 at September 1\textsuperscript{st}
2022 must be marked along with age.
g) If neither team has the required seven players, or as specified, at
the scheduled start of play, the match shall be cancelled by the
umpires and no match points shall be awarded to either team.
The match will not be rescheduled.
h) If players from both teams are late to arrive, the start of play can
be postponed, with an appropriate reduction of overs (as
outlined in the competition rules). The incident must be reported
to the CHK Management.

15. The Ball

a) Unless otherwise stated in the Competition Rules, teams are to
supply a new CHK-approved match ball for each game and
sufficient spare balls for use during their innings. One new ball
shall be used for each innings and the fielding captain has the
choice of which new ball to use at the start of play.
b) CHK Management will decide which balls are to be used for CHK
competitions. Non-approved balls are not to be used. Breaches of
this rule shall be dealt with by CHK Management who may impose
penalties, including the deduction of points.
c) If a ball is lost during the first five overs of the innings, a new ball
(where available) shall be used.

16. Bowlers – Permitted Overs

a) Should a bowler become incapacitated, another bowler may
complete the over. A part of an over counts as a completed over for the purpose of calculating how many overs a bowler has bowled. A part of an over does not count as a completed over for any other purposes, e.g. total number of overs bowled by the team, statistical purposes, etc.

b) It shall be the responsibility of the captain of the fielding side to ensure that no bowler exceeds the permitted number of overs.

17. Minimum Over Rates

a) All teams are expected to bowl at the average minimum over rate specified for each League in the Competition Rules.

b) Appendix 2 of the Competition Rules provides a worksheet for such calculations.

c) Unless otherwise specified in the competition rules, failure to bowl the minimum over rate in an innings accounting for allowances will result in a 5 run penalty per over they are slow for the batting team and a first and final warning for the captain of the fielding team, a further indiscretion by the captain in future matches will result in a one match suspension. Cases of this are to be reported to the CHK Operations Manager.

d) For clarity, in the example whereby the team bowling second are found guilty of bowling with a slow over rate and the match cannot be completed due to ground, light, or other factors, the umpires shall instruct the scorers to add 5 penalty runs for each over behind the rate to the batting team. If this pushes the score above the opposition teams score (including by Duckworth Lewis Stern) the batting team will be declared the winners.

e) Unless otherwise specified, over rates will be inclusive of drinks breaks.
f) In circumstances of a slow over rate at completion of an innings, umpires are to record in their match report the required quota of overs, the number of completed overs bowled at the scheduled finish time and any Good Cause allowance. This is to enable a suspension to be applied. If the umpires fail to maintain a proper record of over rate, any shortfall will be allowed as Good Cause. Umpires will be required to explain a failure to record such information.

18. **Free Hit after a No ball**

a) This rule applies in all CHK Leagues, unless specified otherwise.

b) The delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide) then the next delivery will become a free hit for whichever batsman is facing it.

c) For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball (e.g., run out), even if the delivery for the free hit is called Wide.

d) Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:

   a. There is a change of striker (the provisions of MCC Law 41.2 shall apply), or

   b. The No ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.

e) The bowler’s end umpire will signal a free hit (after the normal No ball signal) by raising one arm and moving it in a circular motion above his head.
19. Wide ball

All CHK limited-overs matches shall follow the same interpretation of a Wide. ICC One Day International playing condition 22 shall apply.

22.1 Judging a Wide

22.1.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2:

22.1.1.1 the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.

22.1.1.2 the ball passes above the head height of the striker standing upright at the popping crease.

22.1.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke.

22.1.3 Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.

22.4 Delivery not a Wide

22.4.1 The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.

22.4.2 The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker’s bat or person, but only as the ball passes the striker.
Interpretation and Guidelines for Leg-side Wides:
A delivery that pitches outside the line of leg stump and moves further away shall be called a Wide by the umpire, other than:

a) A delivery that passes to the leg-side irrespective of where it pitches and in the umpire’s opinion, would have struck the batsman on his legs in his normal guard position, i.e. the batsman steps inside the line for whatever reason, shall NOT normally be called a Wide.

b) A delivery that passes between the leg stump and the batsman’s legs shall NOT be called a Wide.

Height Consideration
Law 21.10 No Ball – Ball passing over head height is replaced
A delivery that passes above the head of a batsman standing upright at the popping crease is to be called a “wide”, even where this is marginal. The call by the bowler’s end umpire will be guided by the striker’s end umpire, unless the latter is unsighted or fails to signal.

20. Bowling of fast, short-pitched balls
Law 21.10 will not apply. Law 41.6 will be applied where:

a) In 50-over and 2-Day competitions, a bowler shall be limited to TWO fast, short-pitched deliveries per over. In all other competitions, a bowler shall be limited to ONE fast, short-pitched delivery per over.

b) A fast, short-pitched delivery is defined as a ball that passes, or would have passed, above the shoulder height of the striker standing upright at the popping crease.

c) The umpire at the bowler’s end shall advise the bowler and the batsman on strike when each fast, short-pitched delivery has been
bowled.

d) In addition, and subject to (f) below, a ball that passes above head height of the batsman standing upright at the popping crease and prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called “Wide”. Refer above, this replaces Law 21.10.

e) To avoid doubt, any fast, short-pitched delivery that is called “Wide” under this playing condition shall also count as one of the allowable short-pitched deliveries in that over.

f) In the event of a bowler bowling more than the allowed number of fast, short-pitched deliveries in an over as defined above, the umpire at the bowler’s end shall call and signal No Ball on each occasion. A different signal shall be used to signify a fast, short-pitched delivery. The umpire shall call and signal No Ball then tap his head with the other hand.

g) In the event of a bowler bowling more than the allowed number of fast, short-pitched balls in an over, the umpire, after the call of No Ball, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.

h) If there is a second instance of the bowler being No Balled in the innings for bowling more than the allowed number of fast, short-pitched deliveries in an over, the umpire shall caution the bowler and advise him that this is his final warning for the innings.

i) Should there be any further instance by the same bowler in that innings, the umpire shall call and signal No Ball and, when the ball is dead, direct the fielding captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
j) The bowler thus taken off shall not be allowed to bowl again in that innings.

k) The umpire will report the occurrence to the other umpire, the batsmen at the wicket and, as soon as possible, to the captain of the batting side. The matter is to be reported to the DOC.

l) Irrespective of the above Law 41.6 Bowling of dangerous and unfair short pitched deliveries maybe applied in regard, for instance in incidents of repetition and consideration of a batsman’s skill, which the umpires may apply at any time.

21. Bowling of high, full-pitched balls
   Law 41.7 is to be applied

22. Time-wasting by the fielding side
   Law 41.9.3 is replaced:

   If there is any further waste of time in that innings by any member of the fielding side, the umpire shall:
   a) Call and signal Dead Ball, if necessary.
   b) Award five penalty runs to the batting side.
   c) Inform the other umpire, the batsmen at the wicket, the fielding captain and, as soon as possible, the captain of the batting side of what has occurred.
   d) Report the occurrence to the CHK Management after the match.

23. Fielder’s Absence from Field of Play – Penalty Time
   Law 24.2 Fielder absent or leaving the field of play shall be revised to allow:
a) a fielder to be absent from the field of play for eight, 8, minutes without penalty time being required.

b) the maximum penalty time to be served is specified for each League, refer the respective Competition Rules. These are:

- Premier League Two-day: 120 minutes
- Premier League One-day: 120 minutes
- Premier League T20: 40 minutes
- Sunday Elite League: 120 minutes
- Sunday Elite T20 Cup: 40 minutes
- Saturday Championship: 70 minutes
- Women’s T20 League: 35 minutes
- Women’s T10 League: 20 minutes

Note, under Law 24.2.3 the maximum is 90 minutes

24. Runners for Injured Batsmen
Law 25.5 Runners - Use of a runner is not permitted.

25. Restrictions for young players

25.1 Fast Bowling Limits for Young Bowlers
All CHK League teams are recommended to follow these guidelines relating to the number of overs that young fast bowlers should bowl. A young fast bowler is defined as any bowler for whom the wicketkeeper, in the umpire’s judgment, would normally stand back.

**Age is determined as at 1st September 2022**

Having completed a spell and allowing for a legal change of ends, the bowler cannot bowl again from either end, either as a fast or slow bowler, until the equivalent number of overs as he/she bowled have been bowled by other bowlers from the same end as the bowler finished his/her spell, or a minimum of 40 minutes have expired from the end of the spell should there be a break in play – scheduled or unscheduled other than a drink break. A spell cannot be resumed after it is ended until the break is complete.

**Note:** once a bowler starts bowling fast they will be considered a fast bowler and, even if changing to spin or slow bowling after this, the spell shall be deemed to be delivered as a fast bowler from the start of the over where they begin bowling fast. Overs bowled wholly as a slow bowler prior to bowling fast shall be not included in the count of overs as a fast bowler.

### 25.2 Fielding Regulations for Young Players

a) All CHK League teams are required to follow the guidelines relating to the minimum distance that young fielders should stand from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball. These apply even if the fielder is wearing a helmet.

All players under the age of 18, as at 1st September 2022, shall wear a helmet with grille when batting and close fielding. Close fielding is defined as any static position within 10 metres of the striker including keeping wicket but excluding positions behind the wicket on the off side (i.e. slip & gully). Young players are also recommended to wear a neck/stem guard with their helmets.

### 26. Clothing, Uniforms and Equipment

This section is to be read in conjunction with Appendix 4

It is preferable for all players to wear spiked footwear when taking part in matches played on turf wickets. Footwear will be preferably white, being defined as 70% white inclusive of the laces and tongue, or alternatively the same colour as the playing kit. Players should not wear spikes when playing on Synthetic pitches across any CHK league, as to avoid causing damage to the pitch.
Appointed umpires and/or the ground authority can request any player found to wearing spikes to remove them.

26.2 Hong Kong National Squad Kit
Hong Kong National Squad kit should only be worn by National players while training or playing with the National Squad. White Clothing and Uniforms
d) Where it is specified that a competition shall be played in traditional white clothing there should be no significant coloured markings on the clothing worn by players.

Coloured Clothing and Uniforms

**Base Layer Clothing**

e) The colour of Base Layer Clothing (e.g. Skins) must be the same as the primary colour of the uniform. For example, if a player wears a white uniform then the base-layer must also be white; if a player wears a red uniform then the base-layer must be red. Umpires may request a player to remove the base-layer garment if it does not comply and is visible in any way.

**Reserve Players clothing**

f) Reserve players who enter the field, or who remain outside but near the boundary, must wear distinctive clothing (t-shirt/vest/bib/etc.) so as not to be confused with the on-field players. The vest must be of different colour to the playing uniform.

**Penalties for Breaching Clothing Policy**

h) Umpires will closely monitor team uniform and equipment during a game, and may require immediate adjustment, where necessary.

i) If a player, or players, is thought to have breached of the Clothing Policy, an umpire will report them under the code of conduct (section 2.1.1) to the Secretary of the CBC. If found in violation, this will result in a first and final warning for the offending player, a second offence will result in an automatic one match suspension. Subsequent breaches will result in additional automatic one match suspensions. These will be published on the CHK website and roll over from year to year.
26.4 Equipment

c) Only two runs will be scored for all deliveries that cross the boundary within this marked region.

d) The ball crossing the boundary within this marked region is to be treated the same as crossing any other boundary, except only for the runs awarded.

e) This applies only when the ball comes off the bat, and regardless of if it crosses the boundary on the full or not. For clarity – wides, byes and legbyes crossing the marked region shall still score 4 runs.

f) In the case of overthrows or wilful act of fielder, four runs will be awarded.
