Preamble – The Spirit of Cricket

Laws of Cricket (2017 Code)

*Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within **the Spirit of Cricket**.*

*The major **responsibility for ensuring fair play rests with the captains**, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.*

***Respect is central to the Spirit of Cricket.** Respect your captain, team-mates, opponents and the authority of the umpires. Play hard and play fair. Accept the umpire's decision.*

***Create a positive atmosphere by your own conduct** and encourage others to do likewise. Show **self-discipline**, even when things go against you. Congratulate the opposition on their successes and enjoy those of your own team. Thank the officials and your opposition at the end of the match, whatever the result.*

*Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within **the Spirit of Cricket**.*

APPENDIX 3: Suspect Bowling Process

The objective of CHK Suspect Bowling Process is to oversee matters relating to the assessment and rectification of suspect delivery actions by bowlers, covering both international and domestic cricket. The process will be directed by CHK Suspect Bowling Committee.

1. CHK Suspect Bowling Committee

The Suspect Bowling Committee will comprise of four members by CHK. For the 2023-24 season, they are:

- 1) Chairman Of Committee – Tabarak Dar
- 2) CHK Head of Operations (Mr Ravi Nagdev),
- 3) National Coach (Mr Simon Wallis), and
- 4) Team Performance Analyst (Mr Chris Pickett)

The goal of this process for players and officials are to:

- a) Minimize suspect bowling actions in Hong Kong;
- b) Have a clearly understood remedial management process to benefit the competitions, the national squads, all players (in terms of ability to continue bowling and develop their abilities) and the clubs.
- c) Minimize on-field calling of suspect actions, other than obvious or intentional throwing as opposed to flaws in technique.

2. Suspect Bowling Process in Domestic Cricket

Upon first time identification by the umpire(s) and/or CHK full- time coaching staff of a bowler with a suspect/doubtful action during a CHK sanctioned match, the following action will be taken:

The umpires or CHK coach reports to CHK Operations Manager in writing within 2 days of the match using the Suspect Bowling Action Report Form.

- a) CHK Operations Manager informs CHK Suspect Bowling Committee and the player's club representative.
- b) The Chairman of the Suspect Bowling Committee organizes for Video Footage of the player to the committee and if required, the Team Performance Analyst arranges a slow-motion video recording of the bowler under match conditions at the earliest convenient opportunity for assessment by the Suspect Bowling Committee; and
- c) The Suspect Bowling Committee submits a report to the player's club and CHK Projects Coordinator confirming the outcome
- d) The Above process should be completed within 30 Days of receiving the Suspect Bowling Action Report.

3. Illegal Action

- a) If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a period of 6 months (From the date CHK Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.
- b) During the banned period if the player is allowed to bowl by the captain, the captain commits Level 1 offence.
- c) The club then must submit in writing if they believe the player has done the appropriate remedial work and inform CHK Operation Manager if the bowler in question will begin bowling in matches (after they have served the 6 months). If the bowler is reported again in the proceeding 12 months and found to have an illegal bowling action by CHK Suspect Bowling Committee, the player will be banned for a further 12 months.

4. Appeal

If a club/player does not agree with the outcome of CHK Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK sanctioned matches during this time and will undergo testing at and ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

a) Legal

Flights, Accommodation, insurance, transfers and testing costs are to be shared 50/50 between the player's club and CHK.

b) Illegal

Flights, accommodation, insurance, transfers and testing costs are to be met in full (100%) by the player's club.

Note: *The club must make a deposit to CHK of the estimated full cost prior to confirming the testing*

5. Doubtful Action

If the player is considered to have a doubtful action by CHK Suspect Bowling Committee they will be closely monitored and filmed under match conditions using the slow-motion camera after 21 days at the most appropriate opportunity. Note: The player will then either be considered ILLEGAL or LEGAL.

6. Legal Action

If the player is confirmed to have a legal action, he/she will be able to continue bowling in all CHK sanctioned matches. The player will also not be allowed to be reported again in the coming 12 months.

7. Suspect Bowling Process in International Cricket

If a Hong Kong player is reported for suspect bowling by the ICC, CHK (Suspect Bowling Committee) may be asked to take remedial action and submit a report to the ICC for further, joint action.

If a player is suspended by the ICC for an illegal bowling action the player will also be suspended from bowling in CHK sanctioned cricket for the same period.

Following suspension, the bowler's action must be cleared by the ICC through the formal testing procedures

CHK will cover all costs associated with the first testing whether the player is a National Squad member or not.

Follow up testing

- a) If the player is no longer a national squad member and requires a further test, the players club must pay a deposit of \$8,000HKD to undergo the testing. If the player is declared to have a legal action then the \$8,000HKD will be reimbursed to the club, if the player is still considered to have an illegal bowling action they will forfeit the \$8,000HKD as a contribution towards the costs of testing. Any further testing for a non-national squad player will be at the expense of the player/club.
- b) It is imperative that the Suspect Bowling Committee works with the club/player and makes a recommendation whether the bowler should undergo further testing or continue to work on the suspect action.

Note: *The club must make a deposit to CHK of \$8,000HKD prior to confirming the test.*

Suspect Bowling Process in International Cricket with a desire to return only to Domestic Cricket

If a player has been suspended by the ICC and does not endeavour to play as a bowler for Hong Kong in the future and/or retires from international cricket:

- a) If a Hong Kong player is reported and suspended by the ICC for an illegal bowling action by the ICC, the player will automatically be banned for a minimum of 6 months in domestic cricket to work/remodel his/her action.
- b) If the player then wishes to be cleared to bowl in Domestic Cricket only, they will need to write to the Suspect Bowling Committee requesting a bowling test (all deliveries they wish to be cleared for).
- c) The Suspect Bowling Committee will then arrange a test using a slow-motion camera at the most convenient time to all parties (an effort to be made within 14 days of receiving the written request).

7. Illegal Action

If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a further period of 6 months (From the date CHK Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.

The club then must submit in writing (after the banned period) if they believe the player has done the appropriate remedial work and inform the Suspect Bowling Committee. The process will then be repeated as above.

8. Appeal

If a club/player does not agree with the outcome of CHK Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK sanctioned matches during this time and will undergo testing at and ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

a) Legal

Flights, Accommodation, insurance, transfers and testing costs to be shared 50/50 between the player's club and CHK

b) Illegal

Flights, accommodation, insurance, transfers and testing costs to be met in full (100%) by the player's club

Unregistered or Improperly Registered Players

An unregistered player is defined as a player that does not have a profile on CricHQ and/or that CHK has not been informed about.

An improperly registered player is one who does have a CricHQ profile, but whose key information (full name, date of birth, gender, HKID number, phone number and email ID) has not be shared with CHK and has not been entered on to their CricHQ profile. The first occasion that a team fields an Unregistered or Improperly Registered player in a game will lead to a First and Final warning for that team. The 2nd offence will lead to a 0.5 point penalty (or equivalent for leagues where a win is worth more than 2 points), the 3rd offence a 1 point penalty (or equivalent), and all subsequent offences a 2 point penalty (or equivalent).

Fielding Ineligible Players

- l) It is the team’s responsibility to ensure that all players in their team are eligible for the competition they are participating in.
- m) Playing an ineligible player is considered as serious breach of CHK rules by a team. Should a team play with an ineligible player they will forfeit the game with maximum points for the match awarded to the opposition. If both teams field ineligible players the match is void and neither team shall earn match points. For clarity, the playing of ineligible players includes, but is not limited to, the

following:

- i. Playing more than one person who is not legally permitted to reside in Hong Kong;
 - ii. Playing a person, not U17, who has played for a different team in the same competition but has not received approval from CHK Management for transfer;
 - iii. Allowing a player to bowl whilst suspended due to suspect bowling action;
 - iv. Playing a player who has been suspended by the CBC and is yet to complete the suspension;
 - v. Playing one player in 3 or more age groups in Junior Cricket without CHK approval
 - vi. Playing an over-age player in Junior Cricket without CHK approval
- n) Teams that forfeit matches in this manner will be reported to the CHK Management, and could be liable to further sanctions. Refer to Playing Condition 30.
- o) Male U17 players and Women may play for any senior men's team in the Saturday Championship and Sunday Elite competitions (see Rule 10)
- p) Female players of any age may play in any men's competition including U17 and U19 Leagues.
- q) Girls are allowed to play in age-group leagues if aged no more than two years above the age limit for boys. E.g. a girl born on or after 1st September 2010 may play in the Under-11 league; a girl born on or after 1st September 2008 may play in the Under-13 league etc.

9. Transfer of Players

- a) A player shall not, without the prior permission of the CHK Management, play for more than one team in the same competition, unless covered under Rule 10.
- b) Women's players may only play for one club during the season in all forms of women's cricket unless with prior CHK permission. That is, a player cannot transfer clubs or play for different clubs in different women's competitions.
- c) In exceptional circumstances, applications for transfer may be submitted in writing to CHK (Attn: Cricket Operations Manager) at least 72 hours before the transfer is to take effect. This must be submitted by the player in question, and should be accompanied by the written approval of the captain or representative of the player's previous team, and a full explanation of the reason for the transfer by the applicant. Breaches of this rule will be referred to the CHK Rules Committee, who may impose appropriate sanctions including the deduction of league points or removal of the offending team from the competition.

Off-season Transfers

- d) If a player changes clubs during the off-season, he or she (THE PLAYER) must submit a completed player transfer request form (ie, signed by both the original club and the new club) to CHK.
- e) It is incumbent on the player to ensure there are no unpaid dues (e.g. membership fees, coaching fees, playing kit costs, etc) with their original club.
- f) If there are unpaid dues, the original club may deny the transfer request until the dues are settled, or until the season is completed.

- g) If there are no unpaid dues, and if the original club fails to respond to the applicant within 14 days, the matter can then be referred to CHK, who may approve the transfer without the original club's approval.
- h) For clarity – any transfer that occurs during the season, of a player who has played in the previous season, but who has not yet played during the current season, will be considered an 'off-season' transfer, and the above process will apply.
- i) Breaches of this rule will be referred to the CHK Match and Rules Committee, who may impose appropriate sanctions including the deduction of league points or removal of the offending team from the competition.

10. Under-17s, Women and Under-15 Girls representing multiple teams

Any male cricketer who, on 1st September 2023, is below the age of 17 years, and has registered with CHK

OR

Any female cricketer

Will be eligible to play an unlimited number of games for any side in the Men's Saturday and Sunday competitions. That is, they will be able to represent multiple teams within the Saturday and Sunday competitions.

Any female cricketer who, on 1st September 2023, is below the age of 15 years, and has registered with CHK, will be eligible to play an unlimited number of games for any side in the Women's competitions. However, they may only represent one team on any given weekend.

11. Fixtures

CHK Office shall publish the schedule of fixtures for League and Cup matches. The CHK Management must approve any changes to the fixtures after they have been published.

12. Postponement of Matches

Postponements of matches and changes of venue will not be permitted under normal circumstances. Requests for blank dates and other particular arrangements must be made before the season commences except as provided for in the Competition Rules. Player availability will not be considered good reason to postpone or change any fixture. In exceptional circumstances, requests may be made to the CHK Management whose decision shall be final.

Rain-Affected or Washed-Out matches will not be rescheduled.

In case a result can not be reached in a League finals, or any other Knock Out or Play-Off match, the game will not be rescheduled, and the provisions listed in that competition's playing conditions will apply instead.

13. Ground, Weather and Light

- a) Before the toss has taken place, the decision with regard to the fitness of the ground will rest with the authority responsible for the maintenance of the ground. In the absence of the ground authority, the decision rests with the nominated CHK staff present at the ground. If no CHK staff is present, then it lies with the umpires appointed by CHK or CHK, ACO and in their absence, the team captains.
- b) After the toss has taken place, subject to c), the appointed umpires or, in their absence, the captains shall be the sole judges as to

whether conditions are fit for play. If both captains cannot agree, both teams shall remain at the ground for one hour after the scheduled start time at which time the home captain shall decide whether or not play is to commence.

- c) The ground's authority has the right to intercede in a game and stop play if they reasonably consider continuance or resumption of play would likely lead to significant/unreasonable damage to any part of the ground or facilities. Where qualified umpires have been officially appointed such action should be subject to consultation and agreement with the umpires, who should take potential damage to the ground and pitch into consideration.
- d) **Application of Law 2.8.3** – If the conditions during a rain stoppage improve and the rain reduces to drizzle, the umpires must consider if they would have suspended play in the first place under similar conditions. If both umpires agree that the current drizzle and ground conditions as a result, given c), plus allowing for further possible deterioration, would not have caused a stoppage then play shall resume immediately.
- e) If any league match is adversely affected by weather or ground conditions to the extent that a result cannot be achieved, the match shall be abandoned and the points for that game shall be shared equally between the teams (assuming the minimum number of overs to constitute a match has not been bowled).
- f) Where one Umpire is of the opinion it is unsafe or unsuitable for play to continue the game will be stopped and players asked to leave the ground.
- g) If a shadow from a fielder falls across the striker's half of the pitch, the fielder must remain stationary from the time the bowler starts his run-up until the striker receives the ball. If the fielder moves before the striker receives the ball, the umpire shall call and signal

Dead Ball if he considers the striker has been distracted by the action. If the umpire considers the movement was a deliberate attempt to distract the batsman the umpire will take action under Law 42.4 (Deliberate attempt to distract striker).

- h) Play shall cease immediately, in the event that a lightning flash is followed by thunder within 30 seconds. Play shall not resume until 30 minutes after the last lightning flash. It is recommended that no person enter the field of play during the period that play is suspended under this rule.
- i) Games will be abandoned when there is a BLACK RAINSTORM WARNING and/or TYPHOON SIGNAL No. 8 or above.

14. Toss, Team Nomination and Punctuality

- a) Unless otherwise specified, the toss shall be conducted in the presence of an umpire and a representative of both teams not earlier than 30 minutes nor later than 15 minutes prior to the scheduled start of play.
- b) Each team must provide a team list to the umpire/s at or prior to the toss. If no umpire is present, the team captains, or their representatives, should toss the coin at the designated time and exchange their respective team lists.
- c) In the event that a team does not have a representative available for the toss as outlined in a), the incident must be reported to the Cricket Operations Manager. The offending team will be liable to having the result of the game in question overturned to a forfeit.
- d) A side shall be of no less than seven players, or as specified, at the scheduled start of play. In the event of any team being unable to raise a side at the scheduled time for start of play, a walkover may be awarded to the opposition, together with full points for a win, for Premier League 2-Day matches, outright points.

- e) For Women's T20 League Division 2 the team list must identify players with less than two seasons of cricket experience.
- f) For Senior Cricket, players under the age of 18 at September 1st 2023 must be marked along with age.
- g) If neither team has the required seven players, or as specified, at the scheduled start of play, the match shall be cancelled by the umpires and no match points shall be awarded to either team. The match will not be rescheduled.
- h) If players from both teams are late to arrive, the start of play can be postponed, with an appropriate reduction of overs (as outlined in the competition rules). The incident must be reported to the CHK Management.

15. The Ball

- a) Unless otherwise stated in the Competition Rules, teams are to supply a new CHK-approved match ball for each game and sufficient spare balls or varying conditions for use during their innings. One new ball shall be used for each innings and the fielding captain has the choice of which new ball to use at the start of play.
- b) CHK Management will decide which balls are to be used for CHK competitions. Non-approved balls are not to be used. Breaches of this rule shall be dealt with by CHK Management who may impose penalties, including the deduction of points.
- c) If a ball is lost during the first five overs of the innings , a new ball -where available- shall be used.

16. Bowlers – Permitted Overs

- a) Should a bowler become incapacitated, another bowler may complete the over. A part of an over counts as a completed over

for the purpose of calculating how many overs a bowler has bowled. A part of an over does not count as a completed over for any other purposes, e.g. total number of overs bowled by the team, statistical purposes, etc.

- b) It shall be the responsibility of the captain of the fielding side to ensure that no bowler exceeds the permitted number of overs.

17. Minimum Over Rates

- a) All teams are expected to bowl at the average minimum over rate specified for each League in the Competition Rules.
- b) Appendix 2 of the Competition Rules provides a worksheet for such calculations.
- c) Unless otherwise specified in the competition rules, failure to bowl the minimum over rate in an innings accounting for allowances will result in a 5 run penalty per over they are slow for the batting team and a first and final warning for the captain of the fielding team, a further indiscretion by the captain in future matches will result in a one match suspension. Cases of this are to be reported to the CHK Operations Team.
- d) For clarity, in the example whereby the team bowling second are found guilty of bowling with a slow over rate and the match cannot be completed due to ground, light, or other factors, the umpires shall instruct the scorers to add 5 penalty runs for each over behind the rate to the batting team. If this pushes the score above the opposition teams score (including by Duckworth Lewis Stern) the batting team will be declared the winners.
- e) Unless otherwise specified, over rates will be inclusive of drinks breaks.
- f) In circumstances of a slow over rate at completion of an innings,

umpires are to record in their match report the required quota of overs, the number of completed overs bowled at the scheduled finish time and any Good Cause allowance. This is to enable a suspension to be applied. If the umpires fail to maintain a proper record of over rate, any shortfall will be allowed as Good Cause. Umpires will be required to explain a failure to record such information.

18. Free Hit after a No ball

- a) This rule applies in all CHK Leagues, unless specified otherwise.
- b) The delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide) then the next delivery will become a free hit for whichever batsman is facing it.
- c) For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball (e.g., run out), even if the delivery for the free hit is called Wide.
- d) Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:
 - a. There is a change of striker (the provisions of MCC Law 41.2 shall apply), or
 - b. The No ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.
- e) The bowler's end umpire will signal a free hit (after the normal No ball signal) by raising one arm and moving it in a circular motion above his head.

19. Wide ball

All CHK limited-overs matches shall follow the same interpretation of a Wide. ICC One Day International playing condition 22 shall apply.

22.1 Judging a Wide

22.1.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2:

22.1.1.1 the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.

22.1.1.2 the ball passes above the head height of the striker standing upright at the popping crease.

22.1.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke

22.1.3 Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.

22.4 Delivery not a Wide

22.4.1 The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.

22.4.2 The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

Interpretation and Guidelines for Leg-side Wides:

A delivery that pitches outside the line of leg stump and moves further away shall be called a Wide by the umpire, other than:

- a) A delivery that passes to the leg-side irrespective of where it pitches and in the umpire's opinion, would have struck the batsman on his legs in his normal guard position, i.e. the batsman steps inside the line for whatever reason, shall NOT normally be called a Wide.
- b) A delivery that passes between the leg stump and the batsman's legs shall NOT be called a Wide.

Height Consideration

Law 21.10 No Ball – Ball passing over head height is replaced

A delivery that passes above the head of a batsman standing upright at the popping crease is to be called a “wide”, even where this is marginal. The call by the bowler's end umpire will be guided by the striker's end umpire, unless the latter is unsighted or fails to signal.

20. Bowling of fast, short-pitched balls

Law 21.10 will not apply. Law 41.6 will be applied where:

- a) In 50-over and 2-Day competitions, a bowler shall be limited to TWO fast, short-pitched deliveries per over. In all other competitions, a bowler shall be limited to ONE fast, short-pitched delivery per over.
- b) A fast, short-pitched delivery is defined as a ball that passes, *or would have passed*, above the shoulder height of the striker standing upright at the popping crease.
- c) The umpire at the bowler's end shall advise the bowler and the batsman on strike when each fast, short-pitched delivery has been bowled.

- d) In addition, and subject to (f) below, a ball that passes above head height of the batsman standing upright at the popping crease and prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called “Wide”. Refer above, this replaces Law 21.10.
- e) To avoid doubt, any fast, short-pitched delivery that is called “Wide” under this playing condition shall also count as one of the allowable short-pitched deliveries in that over.
- f) In the event of a bowler bowling more than the allowed number of fast, short-pitched deliveries in an over as defined above, the umpire at the bowler’s end shall call and signal No Ball on each occasion. A different signal shall be used to signify a fast, short-pitched delivery. The umpire shall call and signal No Ball then tap his head with the other hand.
- g) In the event of a bowler bowling more than the allowed number of fast, short-pitched balls in an over, the umpire, after the call of No Ball, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.
- h) If there is a second instance of the bowler being No Balled in the innings for bowling more than the allowed number of fast, short-pitched deliveries in an over, the umpire shall caution the bowler and advise him that this is his final warning for the innings.
- i) Should there be any further instance by the same bowler in that innings, the umpire shall call and signal No Ball and, when the ball is dead, direct the fielding captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- j) The bowler thus taken off shall not be allowed to bowl again in that

innings.

- k) The umpire will report the occurrence to the other umpire, the batsmen at the wicket and, as soon as possible, to the captain of the batting side. The matter is to be reported to the DOC.
- l) Irrespective of the above Law 41.6 Bowling of dangerous and unfair short pitched deliveries maybe applied in regard, for instance in incidents of repetition and consideration of a batsman's skill, which the umpires may apply at any time.

21. Bowling of high, full-pitched balls

Law 41.7 is to be applied

22. Time-wasting by the fielding side

Law 41.9.3 is replaced:

If there is any further waste of time in that innings by any member of the fielding side, the umpire shall:

- a) Call and signal Dead Ball, if necessary.
- b) Award five penalty runs to the batting side.
- c) Inform the other umpire, the batsmen at the wicket, the fielding captain and, as soon as possible, the captain of the batting side of what has occurred.
- d) Report the occurrence to the CHK Management after the match.

23. Fielder's Absence from Field of Play – Penalty Time

Law 24.2 Fielder absent or leaving the field of play shall be revised to allow:

- a) a fielder to be absent from the field of play for eight, 8, minutes without penalty time being required.
- b) the maximum penalty time to be served is specified for each League, refer the respective Competition Rules. These are:

Premier League Two-day	120 minutes
Premier League One-day	120 minutes
Premier League T20	40 minutes
Sunday Elite League	120 minutes
Sunday Elite T20 Cup	40 minutes
Saturday Championship	70 minutes
Women's T20 League	35 minutes
Women's T10 League	20 minutes

Note, under Law 24.2.3 the maximum is 90 minutes

24. Runners for Injured Batsmen

Law 25.5 Runners - Use of a runner is not permitted.

25. Restrictions for young players

25.1 Fast Bowling Limits for Young Bowlers

All CHK League teams are recommended to follow these guidelines relating to the number of overs that young fast bowlers should bowl. A young fast bowler is defined as any bowler for whom the wicketkeeper, in the umpire's judgment, would normally stand back.

Age Group	Max Overs:	
	Per Spell	Per Day

U10-U11	3	6
U12-U13	4	8
U14-U15	5	12
U16-U17	6	16
U18-U19	8	20

Age is determined as at 1st September 2022

Having completed a spell and allowing for a legal change of ends, the bowler cannot bowl again from either end, either as a fast or slow bowler, until the equivalent number of overs as he/she bowled have been bowled by other bowlers from the same end as the bowler finished his/her spell, or a minimum of 40 minutes have expired from the end of the spell should there be a break in play – scheduled or unscheduled other than a drink break. A spell cannot be resumed after it is ended until the break is complete.

Note: *once a bowler starts bowling fast they will be considered a fast bowler and, even if changing to spin or slow bowling after this, the spell shall be deemed to be delivered as a fast bowler from the start of the over where they begin bowling fast. Overs bowled wholly as a slow bowler prior to bowling fast shall be not included in the count of overs as a fast bowler.*

25.2 Fielding Regulations for Young Players

- a) All CHK League teams are required to follow the guidelines relating to the minimum distance that young fielders should stand from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball. These apply even if the fielder is wearing a helmet.

Age Group	Minimum distance from middle stump (yards/metres)
Up to U13	11 / 10
U14-U15	8 / 7.3

Age is determined as at 1st September 2023

- b) Should a young player in these age groups come within the restricted distance, either umpire must stop the game immediately (*call Dead Ball if in play*) and instruct the fielder to move back.

25.3 Helmets

All players under the age of 18, as at 1st September 2023, shall wear a helmet with grille when batting and close fielding. Close fielding is defined as any static position within 10 metres of the striker including keeping wicket but excluding positions behind the wicket on the off side (i.e. slip & gully). Young players are also recommended to wear a neck/stem guard with their helmets.

26. Clothing, Uniforms and Equipment

This section is to be read in conjunction with Appendix 4

26.1 Wearing of Spikes

It is preferable for all players to wear spiked footwear when taking part in matches played on turf wickets. Footwear will be preferably white, being defined as 70% white inclusive of the laces and tongue, or alternatively the same colour as the playing kit.

Players should not wear spikes when playing on Synthetic pitches across any CHK league, as to avoid causing damage to the pitch.

Appointed umpires and/or the ground authority can request any player found to wearing spikes to remove them.

26.2 Hong Kong National Squad Kit

Hong Kong National Squad kit should only be worn by National players while training or playing with the National Squad. National players should not wear their Hong Kong kit, nor should they lend their kit to any other player, while taking part in CHK domestic competitions, club trainings, or any other activities. Club, Manufacturer or Sponsor's Logos & Branding

White Clothing and Uniforms

- d) Where it is specified that a competition shall be played in traditional white clothing there should be no significant coloured markings on the clothing worn by players.

Coloured Clothing and Uniforms

- e) In competitions played using white cricket balls, all teams are

Base Layer Clothing

- f) The colour of Base Layer Clothing (e.g. Skins) must be the same as the primary colour of the uniform. For example, if a player wears a white uniform then the base-layer must also be white; if a player wears a red uniform then the base-layer must be red. Umpires may request a player to remove the base-layer garment if it does not comply and is visible in any way.

Reserve Players clothing

- g) Reserve players who enter the field, or who remain outside but near the boundary, must wear distinctive clothing (t-shirt/vest/bib/etc.) so as not to be confused with the on-field players. The vest must be of different colour to the playing uniform.

Penalties for Breaching Clothing Policy

- h) Umpires will closely monitor team uniform and equipment during a game, and may require immediate adjustment, where necessary.
- i) If a player, or players, is thought to have breached of the Clothing Policy, an umpire will report them under the code of conduct (section 2.1.1) to the Secretary of the CBC. If found in violation, this will result in a first and final warning for the offending player, a second offence will result in an automatic one match suspension. Subsequent breaches will result in additional automatic one match suspensions. These will be published on the CHK website and roll over from year to year.

26.4 Equipment

- j) Teams must provide their own cricket equipment.
- k) All players under the age of 18, as at 1st September 2022, shall wear a helmet with grille when batting and close fielding. See Playing Condition 24.3

- b) A region between third man and fine leg, relevant to the centre wicket, will be marked out by CHK.
- c) Only two runs will be scored for all deliveries that cross the boundary within this marked region.
- d) The ball crossing the boundary within this marked region is to be treated the same as crossing any other boundary, except only for the runs awarded.
- e) This applies only when the ball comes off the bat, and regardless of if it crosses the boundary on the full or not. For clarity – wides, byes and legbyes crossing the marked region shall still score 4 runs.
- f) In the case of overthrows or wilful act of fielder, four runs will be awarded.

3. Ground Responsibilities – PKVR Park

This section explicitly deals with the set up and clearing of the ground at PKVR Park. At all other venues, the ground authorities will be responsible for these duties.

 - i) Ensure stumps and bails are set.
 - ii) Ensure chalk is provided at each end of the pitch.
 - iii) Put boundary ropes out.
 - iv) Mark the fielding circles.
 - v) Put the scoreboard out.

All the above equipment should be provided at the venue. Please notify CHK Office if any items are missing.

- b) After the match has finished, the AWAY team is to ensure all stumps, bails, chalk, boundary ropes, circle markers, sightscreens and scoreboard are put back in their rightful place.

It is especially important that these tasks are completed as quickly as possible after the end of the game since there will be other users waiting to use the ground.

4. End of Match Responsibilities

- a) Both captains, the scorers and umpires must agree on the score entered into the CricHQ application at the completion of the game.
- b) If there are any disputes the facts must be recorded in the notes section of CricHQ and a decision will be made by CHK on the final result. In the event no decision can be reached the points will be shared (1 per team).

- c) Once agreed the scorecard must be uploaded onto the CricHQ database by both teams, this must be done by 9am on the second working day. Refer to Playing Condition 4, k) through o)

5. Inclement Weather

- a) A WhatsApp group will be created by CHK at the start of the season to keep all team and ACO (CHK) representatives up to date with the conditions at various grounds.
- b) CHK will inform teams if games are called off. Teams are expected to show up to the ground in time for their games unless instructed otherwise.
- c) Refer to Playing Condition 13 for further instructions.

3. Hours of Play

- a) Start times for all matches will be determined by CHK, and all teams must adhere to the schedule.
- b) Games will last 170 minutes – 80 minutes per innings (4 minutes/over) with a 10-minute break between innings.
- c) No drinks intervals are permitted. An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

4. Toss and Team Nomination

- a) The Toss shall be conducted no earlier than 30 minutes nor later than 15 minutes prior to the scheduled time for the start of play, in the presence of an umpire.
- b) Team nomination forms must be provided to umpires prior to the toss being conducted. The CHK team nomination form template is not mandatory.

5. The Ball

A CHK approved Kookaburra Silver Senator pink leather four-piece 156g cricket ball shall be used. One new ball shall be used at the start of each innings and the fielding team should provide sufficient spares.

6. Length of Innings

- a) In uninterrupted matches (i.e. matches which are neither delayed

nor interrupted) each team shall bat for 20 overs unless all out earlier.

- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 13 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended, and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs.
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play.
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - i. Injury to players of either side.
 - ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
 - iii. Delays caused by the batting side, e.g. changes of equipment.

Note: In instances of inclement weather, Rule 6 shall apply, NOT the provisions for allowances.

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such

time shall be deducted from the allowances granted to such batting team in the determination of its over rate.

- i) if a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See CHK Playing Condition 17 for penalties for Slow Over Rate.

7. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, the umpire should ensure the match ends as per the scheduled finished time. The total number of overs in the match shall be reduced by two for every complete 8 minutes lost, being 4 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler shall also be reduced, see bb. This calculation must not cause the match to finish earlier than the original cessation time.
- c) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway

means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.

- d) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

8. Number of overs per Bowler

- a) No bowler shall bowl more than four overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second:
 - i. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
 - ii. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

Illustration: *after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are now limited to 2 overs.*

Should the overs be reduced to 7, then four bowlers may bowl 2 overs

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another

bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

9. Fielding Restrictions

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.
- c) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- d) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **five** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- e) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- f) If an innings is interrupted during an over and if on the

resumption of play, due to the reduced number of overs of the batting team, the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.

- g) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called

10. Fielder's Absence - Maximum Penalty Time

Under CHK Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

11. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 20 overs within 1 hour 20 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Conditions Rule 17).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-

scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.

- d) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

12. Tied Matches – Super Over

A Super Over is only to be played in Eliminators, Semi Finals and Final matches. See CHK Premier League T20 Playing Condition 15.

13. Points

Points for matches will be awarded as follows:

Win	2 points
Loss	0 points
No Result	1 points each

14. League Champions

The team that wins the final in each division shall be declared the U19 T20 League divisional Champions.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the play-off / semi-finals / eliminator:

- a) Net Run Rate (NRR)*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;

- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.

If a result can not be reached in any of the eliminators or semi-finals, the higher placed team from the group stages will go through to the next round.

If the Finals can not be completed, then the trophy shall be shared between both finalists.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

9. Fielding Restrictions

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.
- c) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- d) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **five** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- e) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- f) If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team,

the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.

- g) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called

10. Fielder Absence – Max Penalty Time

Under CHK Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

11. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 20 overs within 1 hour 20 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Conditions Rule 17).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-

scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.

- d) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

12. Tied Matches – Super Over

A Super Over is only to be played in Eliminator and Final matches. See CHK Premier League T20 Playing Condition 15.

13. Points

Points for matches will be awarded as follows:

Win	2 points
Loss	0 points
No Result	1 points each

14. League Champions

The team that wins the final in each division shall be declared the U17 T20 League divisional Champions.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the final / eliminator:

- a) Net Run Rate (NRR)*, as calculated by the CricHQ system and

- shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
 - c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.

If the eliminator can not be completed, then the 2nd placed team after the round robin stage (using the above if required) shall proceed to the Final.

If the finals can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Under-17 35-Over League

These are the competition rules of the CHK Under-17 35-Over League. This competition will follow the same rules as the *CHK Sunday Elite League*, except for as specified as below. These rules should be read in conjunction with *CHK Playing Conditions* and *CHK Code of Behaviour*.

- c) Teams will score points in each match.
- d) The top teams after the round-robin stage will proceed directly to the division's Final, while 2nd will face 3rd in an Eliminator to determine the second finalist.

Games will last for 4 hours and 40 minutes. There will be 2 hours 15 minutes per innings (3.85 minutes/over) with a 10-minute break between innings.

One drinks break will be taken in each innings after 1 hour of play. This is included in the 2 hours 15 minutes.

4. Toss and Team Nomination

- a) Team lists must be provided to the umpires prior to the toss being conducted. The ages of all players must be stated.
- b) The CHK team nomination form template is not mandatory.

5. The Ball

A CHK approved Kookaburra Silver Senator pink leather four-piece 156g cricket ball shall be used. One new ball shall be used at the start of each innings and the fielding team should provide sufficient spares.

6. Length of Innings

- a) Matches will consist of one innings per side, each innings being limited to a maximum of 35 overs.
- b) To constitute a match, a minimum of ten overs must be completed in the second innings.
- c) Declarations are not permitted.
- d) If either bowling side fails to complete 35 overs within the scheduled time, the innings shall be extended until 35 overs are completed subject to conditions and ground availability. An over

in progress at the scheduled time shall count as a completed over for over rate calculations.

- e) If the side batting first is dismissed in less than 35 overs, the side batting second shall be entitled to bat for 35 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - ii. Injury to players of either side.
 - iii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
 - iv. Delays caused by the batting side, e.g. changes of equipment.

Note: *In instances of inclement weather, CHK Playing Conditions Rule 8 shall apply, NOT the provisions of Good Cause.*

- h) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time. All occurrences of late commencement must be reported to the CHK Operations Manager for further action.
- i) See Rule 13 and CHK Playing Condition Rule 17 for penalties for slow over rates.
- j) The scheduled innings time allowance will be reduced at the rate of 3.75 minutes per over, if the number of overs to be bowled is less than 35 – see Rule 9 below.

7. Drinks Intervals

- a) One drinks break per innings shall be permitted after 1 hour of play.
- b) The Drinks Intervals shall be taken on the field at all times.
- c) Under conditions of extreme heat, the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.
- d) An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

8. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 10 overs, unless one team has been all out in less than 10 overs or unless the team batting second scores enough runs to win in less than 10 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra by 15 minutes
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 7.5 minutes lost, being 3.75 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **9b and 12f**. This calculation must not cause the match to finish earlier than the

original cessation time.

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

9. Number of Overs per Bowler

- a) No bowler shall bowl more than **seven** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

10. Free Hit after a No Ball

A Free Hit after a No Ball is applied to all No Balls. Refer CHK Playing Condition 18 for outline on this rule

Under CHK Playing Conditions 23, a fielder's unserved Penalty time shall be limited to a maximum of 70 minutes.

12. Fielding Restrictions

- a) At the instant of delivery, there may not be more than five (5) fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game. At the instant of delivery:

Powerplays

- c) There are three phases of Powerplay:
 - iv. Powerplay 1 – no more than **two** (2) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 1 to 7 inclusive.
 - v. Powerplay 2 – no more than four (4) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 8 to 28 inclusive.

- f) In circumstances when the number of overs of the batting side is reduced, the number of powerplay overs shall be reduced in

accordance with the table below. For the sake of clarity, it should be noted that the table applies to both the 1st and 2nd innings of the match.

13. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 35 overs within 2 hours 15 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs per over not bowled in time. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Condition 17).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- d) Over-rate penalties apply only to innings of 15 overs or more

duration. In innings of less than 15 overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.

If the number of points scored by two or more teams in a group is the same, the following criteria shall be used to determine which team proceeds to the final/eliminator:

- Net Run Rate (NRR)*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.

If the Final can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

accordance with the table above. For the sake of clarity, it should be noted that the table applies to both the 1st and 2nd innings of the match.

In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs per over not bowled in time. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.

- e) This is the only penalty for a slow over rate.

- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
